## **Tennessee Studies In Literature Volume 19 Eighteenth Century Literature Issue:**

Utopian Imagination and Eighteenth Century Fiction Christine Rees, 2014-09-19 Utopian fiction was a particularly rich and important genre during the eighteenth century. It was during this period that a relatively new phenomenon appeared: the merging of utopian writing per se with other fictional genres such as the increasingly dominant novel. However, while early modern and nineteenth and twentieth century utopias have been the focus of much attention, the eighteenth century has largely been neglected. Utopian Imagination and Eighteenth Century Fiction combines these major areas of interest, interpreting some of the most fascinating and innovative fictions of the period and locating them in a continuing tradition of utopian writing which stretches back through the Renaissance to the Ancient World. Beginning with a survey of the recurrent topics in utopian writing—power, structures in the state, money, food, sex, the role of women, birth, education, and death—the book brings together canonical eighteenth century texts containing powerful utopian elements such as Robinson Crusoe, Gulliver's Travels, and Rasselas, and less familiar works to examine the reworking of these topics in a new context. The unfamiliar texts, including Gaudenzio di Lucca, are described in detail to give students an idea of relevant material across a broad area. A section is devoted specifically to women, writing an area which has become the focus of attention. The mixture of texts provides a useful cross reference for students tackling the subject from various perspectives, and the comprehensive bibliography provides a valuable tool for those with general or specific interests.

**Tennessee Studies in Literature** Allison Ensor, Percy G. Adams, 1974

**A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students, teachers, and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature. Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals, and reference histories. The annotations and various indexes are models of clarity and usefulness, and cross references are liberally supplied where appropriate. Although cost-conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L. Harner's *Literary Research Guide* (Modern Language Assn of America, 1989), larger academic libraries will want Marcuse's volume. Jack Bales, Mary Washington Coll Lib, Fredericksburg, Va. *Library Journal*

**"Cultures of Whiggism"** David Womersley, Paddy Bullard, Abigail Williams, 2005 In the preface to his edition of Shakespeare, Alexander Pope noted that his age was one of parties both in Wit and State. Much scholarship has been devoted to the complexities of the political parties of the eighteenth century, but there has been a surprising reluctance to explore what Pope implied were the corollaries of those parties: namely, parties in literature. The essays collected here

explore the literary culture that arose from and supported what Pitt the Elder referred to as the great spirit of Whiggism that animated English politics during the eighteenth century From the prehistory of Whiggism in the court of Charles II to the fractures opened up within it by the French Revolution in the 1790s the interactions between Whiggish politics and literature are sampled and described in groundbreaking essays that range widely across the fields of eighteenth century political prose poetry and the novel

**The Anti-Gallows Movement in Antebellum Literature** Christopher Allan Black,2024-12-15 The Anti Gallows Movement Cesare Beccaria Montesquieu and Republican Criminal Justice Reform in Antebellum Literature 1772 1862 examines the development of anti capital punishment sentiment in antebellum American Literature Legal and philosophical debates over the effectiveness of capital punishment and penal reform have played a significant role in American civic and political life since the republican rejection of the Monarchy and oppression during the Revolution In the late eighteenth and early nineteenth century United States criminal narratives and literature in the form of the execution sermon the gothic novel the historical romance autobiographical testimony and the African American slave narrative informed the citizenry about the public abuse of convicted criminals on the gallows stressing the need for enlightenment legal reforms such as the creation of penitentiaries solitary confinement and private execution behind prison walls Humane reformers and activist authors such as Samson Occom Henry Channing Charles Brockden Brown James Fenimore Cooper Herman Melville Nathaniel Hawthorne Frederick Douglass Austin Reed and Margaret Fuller proposed sympathetic alternatives to the spectacle of the gallows As social reformers influenced by the Enlightenment anti capital punishment philosophy of Cesare Beccaria and the French Jurist Montesquieu antebellum American authors argue that capital punishment in the form of hanging on the scaffold is incompatible with the natural right of Americans to social justice and criminal reform

**A Research Guide to Gothic Literature in English** Sherri L. Brown,Carol Senf,Ellen J. Stockstill,2018-03-15 The Gothic began as a designation for barbarian tribes was associated with the cathedrals of the High Middle Ages was used to describe a marginalized literature in the late eighteenth century and continues today in a variety of forms literature film graphic novel video games and other narrative and artistic forms Unlike other recent books in the field that focus on certain aspects of the Gothic this work directs researchers to seminal and significant resources on all of its aspects Annotations will help researchers determine what materials best suit their needs A Research Guide to Gothic Literature in English covers Gothic cultural artifacts such as literature film graphic novels and videogames This authoritative guide equips researchers with valuable recent information about noteworthy resources that they can use to study the Gothic effectively and thoroughly

*The Oxford Handbook of Quaker Studies* Stephen W. Angell,Pink Dandelion,2013-09-26 Quakerism began in England in the 1650s George Fox credited as leading the movement had an experience of 1647 in which he felt he could hear Christ directly and inwardly without the mediation of text or minister Convinced of the authenticity of this experience and its universal application Fox preached a spirituality in which potentially all were ministers all part of a

priesthood of believers a church levelled before the leadership of God Quakers are a fascinating religious group both in their original peculiarity and in the variety of reinterpretations of the faith since The way they have interacted with wider society is a basic but often unknown part of British and American history This handbook charts their history and the history of their expression as a religious community This volume provides an indispensable reference work for the study of Quakerism It is global in its perspectives and interdisciplinary in its approach whilst offering the reader a clear narrative through the academic debates In addition to an in depth survey of historical readings of Quakerism the handbook provides a treatment of the group s key theological premises and its links with wider Christian thinking Quakerism s distinctive ecclesiastical forms and practices are analysed and its social economic political and ethical outcomes examined Each of the 37 chapters considers broader religious social and cultural contexts and provides suggestions for further reading and the volume concludes with an extensive bibliography to aid further research
