Tennyson Stephen Gwynn,2015-07-12 Excerpt from *Tennyson A Critical Study* For the existence of this book my publishers must be responsible It seems to me impossible to say anything that is at once new and true about Tennyson But having undertaken to write a critical study of him it seemed to me best to give as clearly as I could my own point of view and for that reason I have abstained from extending my knowledge of the many books which have been written about him by admirable critics Contemporary criticism of his earlier poems I have studied primarily for its historical interest and in the process of illustrating it by quotations I have had to expose my own work to very damaging comparisons About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
