Between Art and Anthropology Arnd Schneider, Christopher Wright, 2021-08-05 Between Art and Anthropology provides new and challenging arguments for considering contemporary art and anthropology in terms of fieldwork practice Artists and anthropologists share a set of common practices that raise similar ethical issues which the authors explore in depth for the first time The book presents a strong argument for encouraging artists and anthropologists to learn directly from each other's practices in the field It goes beyond the so called ethnographic turn of much contemporary art and the crisis of representation in anthropology in productively exploring the implications of the new anthropology of the senses and ethical issues for future art anthropology collaborations The contributors to this exciting volume consider the work of artists such as Joseph Beuys Suzanne Lacy Marcus Coates Cameron Jamie and Mohini Chandra With cutting edge essays from a range of key thinkers such as acclaimed art critic Lucy R Lippard and distinguished anthropologists George E Marcus and Steve Feld Between Art and Anthropology will be essential reading for students artists and scholars across a number of fields

Contemporary Art and Anthropology Arnd Schneider, Christopher Wright, 2020-09-02 Contemporary Art and Anthropology takes a new and exciting approach to representational practices within contemporary art and anthropology Traditionally the anthropology of art has tended to focus on the interpretation of tribal artifacts but has not considered the impact such art could have on its own ways of making and presenting work The potential for the contemporary art scene to suggest innovative representational practices has been similarly ignored This book challenges the reluctance that exists within anthropology to pursue alternative strategies of research creation and exhibition and argues that contemporary artists and anthropologists have much to learn from each other's practices The contributors to this pioneering book consider the work of artists such as Susan Hiller Francesco Clemente and Rimer Cardillo and in exploring topics such as the possibility of shared representational values aesthetics and modernity and tattooing they suggest productive new directions for practices in both fields

Momentos para que no me olvides Rogelio Serrano Mateo, 2016-04-26 El motivo que me llevó a escribir esta novela fue la experiencia vivida y contada por una mujer muy querida que siendo niña su padre temeroso por el momento crítico por el que pasaba la ciudad de Barcelona durante aquellos años de guerra decidió enviarla refugiada a Francia en compañía de otro niño vecino dos años mayor que ella Las penurias vividas por los dos niños durante aquellos dos años hicieron que se unieran y protegieran mutuamente creándose entre ellos un amor inesperado Al encontrarse solos sin el abrigo de la familia la guerra y las miserias los unieron y de forma inesperada la paz los separó quedando en ellos el recuerdo de aquel amor tan inocente y sincero que vivieron El recuerdo perduró en el interior de ellos para toda la vida Lo ocurrido durante esos dos años fue real del resto de la historia se cambiaron nombres y lugares Rogelio Serrano
