and her cousin and fellow Navajo Police officer Justine Goodluck are convinced that Ella wasn't just unconscious when she was rescued. To all appearances they say Ella was dead. Justine believes that Ella's survival was a miracle. Clifford says that his hataalii abilities showed her wandering wind spirit the way back to her body. Regardless, traditionalist Navajo are reluctant to be near or even speak to Ella, fearing that since she was dead she has been contaminated with chindi and become evil. Even some of her fellow police officers are uncomfortable in Ella's presence. If she cannot interview witnesses and can't work with other cops, what is Ella to do? She finds solace in the unquestioning and unchanging love of her young daughter and the unflagging support of her brother, who nonetheless recommends an older hataalii who may be able to perform a special blessing ceremony for Ella. Still, it's clear that Ella's life has been changed, perhaps permanently, and that she may no longer be an effective police officer.
