Love's Curriculum Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council's gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul's assignment to scribe Love's Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love's Curriculum gently awaken within you the memory of Love as you uncover your soul's Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love's Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love's Curriculum help you on your journey to awaken to Love It is time The High Council **Game Love** Jessica Enevold, Esther MacCallum-Stewart, 2015-01-09 What does love have to do with gaming As games have grown in complexity they have increasingly included narratives that seek to engage players with love in a variety of ways While media attention often focuses on violent emotions and behavior in gaming love has always been central to the experience We love to play games we have titles that we love and sometimes we love too much or love terrible games for their shortcomings Love in gaming is rather like love in life often complicated and frustrating but also exciting and gratifying This collection of fresh essays explores the meaning and role of love in gaming describing a number of ways from coding to cosplay in which love can be expressed in for and around games Investigating how gaming involves love is also key to understanding the growing importance of games and gamers as cultural markers Politics and the Order of Love Eric Gregory, 2008-08-15 Augustine for all of his influence on Western culture and politics was hardly a liberal Drawing from theology feminist theory and political philosophy Eric Gregory offers here a liberal ethics of citizenship one less susceptible to anti liberal critics because it is informed by the Augustinian tradition The result is a book that expands Augustinian imaginations for liberalism and liberal imaginations for Augustinianism Gregory examines a broad range of Augustine's texts and their reception in different disciplines and identifies two classical themes which have analogues in secular political theory love and related notions of care solidarity and sympathy and sin as well as related notions of cruelty evil and narrow self interest From an Augustinian point of view Gregory argues love and sin constrain each other in ways that yield a distinctive vision of the limits and possibilities of politics In providing a constructive argument for Christian participation in liberal democratic societies Gregory advances efforts to revive a political theology in which love's relation to justice is prominent Politics and the Order

of Love will provoke new conversations for those interested in Christian ethics moral psychology and the role of religion in a liberal society The Intercourse of Knowledge Athalya Brenner,1997 This groundbreaking book which builds on the author's earlier work in *On Gendering Texts* studies how by what means and to what extent human love desire and sex and possibly even sexuality are gendered in the Hebrew Bible Following a classification and gendering of the linguistic and semantic data the investigation looks into the construction of male and female bodies in language and ideologies the praxis and ideology of sex procreation and contraception deviation from socio sexual boundaries e g incest rape adultery homosexuality prostitution eroticism and pornoprophetics Finally the work discusses some of the wider sociological and theological implications of the findings **The Love of God** John C. Peckham,2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness

Costly Love John H. Armstrong,2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

A Common Word Miroslav Volf, Prince Ghazi bin Muhammad bin Talal, Mellisa Yarrington, 2009-12-30 In late 2007 Muslim leaders from around the world together issued in the pages of The New York Times an open letter to Christian leaders inviting cooperation as a step toward peace That letter A Common Word between Us and You acknowledged real differences between the two faiths but nonetheless contended that righteousness and good works should be the only areas in which they compete The 138 signatories included over a dozen grand muftis an ayatollah and a Jordanian prince and the document was widely considered a groundbreaking step toward reconciliation between Islam and Christianity two major religions with a great deal in common That original letter and a collaborative Christian response Loving God and Neighbor Together both appear in this remarkable volume Building on those original momentous documents A Common Word further includes subsequent commentary and dialogue between Muslim and Christian scholars addressing critical and frequently asked questions All in all this eventful book encapsulates a brave and encouraging move toward harmony and accord between two world religions so often seen to be at odds
