The Hairdresser's Husband:

The Hairdresser's Husband, 1990 *Roger Ebert's Movie Yearbook 2004* Roger Ebert, 2003 Featuring every review Ebert wrote from January 2001 to mid June 2003 this treasury also includes his essays interviews film festival reports and In Memoriams along with his famous star ratings **25 Great French Films** Roger Ebert, 2012-05-08 The famed film writer and critic reviews twenty five essential French films featuring Amélie Belle du Jour La Vie en Rose and Au Revoir les Enfants Like a full bodied Bordeaux wine Roger Ebert's e book original 25 Great French Films will reward you with a rich variety of full length reviews of cinematic experiences From such classics as Belle de Jour Day for Night and The 400 Blows to the sweeping drama and beautiful scenery of Jean de Florette and its sequel Manon of the Spring this e book provides a perfect primer for those new to French films and a welcome refresher course for true Francophiles And as an added attraction most of the reviews are accompanied with a clip of the movies trailers including gems like Mr Hulot's Holiday and Jules and Jim

The Great Movies IV Roger Ebert, 2020-03-04 Essays from the influential and beloved film critic No one has done as much as Ebert to connect the creators of movies with their consumers Richard Corliss Time Over more than four decades Roger Ebert built a reputation writing reviews for the Chicago Sun Times and later arguing onscreen with rival Chicago Tribune critic Gene Siskel and later Richard Roeper about the movies they loved and loathed But Ebert's wisdom went well beyond a mere thumbs up or thumbs down The Great Movies IV is the fourth and final collection of Roger Ebert's essays comprising sixty two reviews of films ranging from the silent era to the recent past From films like The Cabinet of Caligari and Viridiana that have been considered canonical for decades to movies only recently recognized as masterpieces to Superman The Big Lebowski and Pink Floyd The Wall the pieces gathered here demonstrate the critical acumen seen in Ebert's daily reviews and the more reflective and wide ranging considerations that the longer format allowed him to offer Also included are an insightful foreword by film critic Matt Zoller Seitz editor in chief of the official Roger Ebert website and a touching introduction by Chaz Ebert A fitting capstone to a truly remarkable career The Great Movies IV will introduce newcomers to some of the most exceptional movies ever made while revealing new insights to connoisseurs **Patrice**

Leconte Lisa Downing, 2004 Lisa Downing's comprehensive study of the films of Patrice Leconte traces lines of continuity and revision through a body of apparently disparate films whose messages often appear both contradictory and controversial Pursuing a close reading of the recurrent themes styles intertexts and techniques which structure Leconte's filmmaking Downing re evaluates Leconte's status as an enigmatic artist offering complex and paradoxical commentary on contemporary questions of sexuality ethics and identity This book is the first full length critical work in English on Leconte's cinema It provides essential reading for both enthusiasts of French cinema and for those fascinated by the relationship between popular culture and theory **The Off-Hollywood Film Guide** Tom Wiener, 2002-08-13 The Off Hollywood Film Guide cuts

through the clutter of the thousands of films currently available on video and DVD by specifically catering to independent and

foreign film enthusiasts In addition to a list of essential must see films this guide includes hundreds of entries each with brief commentary and a list of pertinent details such as release date cast director awards garnered special DVD features and double feature suggestions The listings are also cross referenced by genre director actors and country of origin The Boy From Meadow Lake J. Elmer Benoit,2016-02-02 In this book the author traces his life and that of his family from his parents arrival in 1917 in Meadow Lake Sask ranching and farming his childhood and education and then his progression through many jobs and careers spanning nearly five decades He also recounts in detail his three marriages and his three children and their very important roles in making his life worthwhile His wife of 37 years Phyllis was the quiet force that kept the family calm and maintained high standards for morals and manners learning and loving His story mixes events from his life and work experiences many happy some sad but mostly interesting and often funny Writing the Comedy Movie Marc Blake,2015-12-17 A practical guide to creating the comedy movie referencing its subgenres history and tropes along with exclusive interviews with craft practitioners In The Way of It John McGreal,2013-12-01 In new forms of writing this is one of three books that represent stages of a serious artistic search for a modern dialectic of mark word and image spanning twenty years With an aesthetic that dissolves conventional boundaries of visual Art and Literature the abstract alphabetical poem my it to you and the narrative proem In the Way of It are both written solely in monosyllables The selection of spaced prints of alphabetical poems such as Rubicon in The Poetry of It was inspired initially by a surrealist experiment in automatic writing in 1988 which triggered an extensive period in which dreams erupted onto the page in the written form of fragmented words Written in the form of double columns Mac s Story In The Way of It gives an account of how these works came to be made along with The Book of It his humorous satire on contemporary capitalism published in 2010 All three new works celebrate the Centenary of the revolution in visual language made by the avant gardes in what Marjorie Perloff calls The Futurist Moment in Modernist Art **The Journals** John Fowles,2007-12-18 In 1963 John Fowles won international recognition with The Collector his first published novel In the years following with the publication of The Magus The French Lieutenant s Woman The Ebony Tower and his other critically acclaimed works of fiction nonfiction and poetry Fowles took his place among the most innovative and important English novelists of our time Now with this first volume of his journals which covers the years from 1949 to 1965 we see revealed not only the creative development of a great writer but also the deep connection between Fowles s autobiographical experience and his literary inspiration Commencing in Fowles s final year at Oxford the journals in this volume chronicle the years he spent as a university lecturer in France his experiences teaching school on the Greek island of Spetsai which would inspire The Magus and his love affair there with the married woman who would later become his first wife and his return to England and his ongoing struggle to achieve literary success It is an account of a life lived in total engagement with the world although Fowles the novelist takes center stage we see as well Fowles the nascent poet and critic ornithologist and gardener passionate naturalist and traveler cinephile and collector

of old books Soon after he fell in love with his first wife Elizabeth Fowles wrote in his journal She has asked me not to write about her in here But I could not not write loving her as I do What else I betrayed I could not betray this diary It is that determined unsparing honesty and forthrightness that imbues these journals with all the emotional power and narrative complexity of his novels They are a revelation of both the man and the artist *Ageing Masculinities in Contemporary European and Anglophone Cinema* Tony Tracy, Michaela Schrage-Früh, 2022-12-30 This volume offers a unique exploration of how ageing masculinities are constructed and represented in contemporary international cinema With chapters spanning a range of national cinemas the primarily European focus of the book is juxtaposed with analysis of the social and cultural constructions of manhood and the anti ageing impulses of male stardom in contemporary Hollywood These themes are inflected in different ways throughout the volume from considering how old age is not the monolithic and unified life stage with which it is often framed to exploring issues of queerness sexuality and asexuality as well as themes such as national cinema and dementia Offering a diverse and multifaceted portrait of ageing and masculinity in contemporary cinema this book will be of interest to scholars and students of film and screen studies gender and masculinity studies and cultural gerontology **Mexico's Cinema** Joanne Hershfield, David R. Maciel, 1999-11-01 In recent years Mexican films have received high acclaim and impressive box office returns Moreover Mexico has the most advanced movie industry in the Spanish speaking world and its impact on Mexican culture and society cannot be overstated Mexico's Cinema A Century of Film and Filmmakers is a collection of fourteen essays that encompass the first 100 years of the cinema of Mexico Included are original contributions written specifically for this title plus a few classic pieces in the field of Mexican cinema studies never before available in English These essays explore a variety of themes including race and ethnicity gender issues personalities and the historical development of a national cinematic style Each of the book's three sections The Silent Cinema The Golden Age and The Contemporary Era is preceded by a short introduction to the period and a presentation of the major themes addressed in the section This insightful anthology is the first published study that includes pieces by Mexican and North American scholars including a piece by the internationally acclaimed essayist Carlos Monsivais Contributors include other acclaimed scholars and critics as well as young scholars who are currently making their mark in the area of film studies of Mexico These authors represent various fields community studies film studies cultural history ethnic studies and gender studies making this volume an interdisciplinary resource important for courses in Latin America and Third World cinema Mexican history and culture and Chicana o and ethnic studies **Whatever Next?** Earl Ferrers, 2012-05-17 In this charming and poignant memoir the 13th Earl Ferrers a farmer who got caught up in the slipstream of politics reflects on a life very well lived Alongside contemplative musings on politics religion relationships and the meaning of life are humorous anecdotes on his aristocratic upbringing at Staunton Harold in the 1930s high jinks at Winchester and Cambridge national service in the jungle of Malaya and his time as minister in every Conservative Government from Macmillan to Major Drawing on nearly

sixty years of public service Whatever Next recounts captivating tales of the ups and downs of Westminster life including choice nuggets of original correspondence cartoons and poems from a peer with a real twinkle in his eye

The Psychology of Beauty Ellen Sinkman,2012-12-14 Beauty is often an invisible yet potent presence in clinical work The Psychology of Beauty Creation of a Beautiful Self by Ellen Sinkman LCSW addresses the vital importance of beauty its sources and manifestations in everyone s lives including psychotherapy patients The ability to be mesmerizingly beautiful and beautifully creative strivings toward mastering beauty and wishes to be transformed are universal desires During psychotherapy patients manifest or defend against these forces So it is striking that patients as well as therapists often overlook or dismiss issues about creating beauty in themselves The book introduces this seeming contradiction with the ancient myth of Pygmalion and his sculpture of a beautiful woman These enduring mythic figures represent the wish to emerge as a beautiful being and the wish for the power to create beauty in another Patients in psychotherapy often pursue these elusive goals outside clinical work rather than within treatment Manifold venues enticingly promise reinvention These activities may involve plastic surgery beauty salon make overs diet gurus elocution coaches tattooing and athletic training Seekers of beauty engage with people whom they see as agents offering them ravishing physical or charismatic attractiveness Psychotherapists may or may not be among agents seen as having the power to transform The quest for beauty is widespread and in many instances non pathological Sinkman looks at multiple avenues of understanding and appreciation of efforts toward beauty including artistic creativity and political activities However there is a spectrum of investment in creating beauty Pursuing beauty can become pathological Therapists need to watch out for its appearance outside the psychoanalytic arena Such material can be missed when the analyst falls into counter transference difficulties such as feeling invested in transforming the patient identifying with the patient s narcissistic injuries and or needs to compete or enacting battles with the patient Such difficulties interfere with attunement to patients experiences The Psychology of Beauty considers definitions of beauty gender identity themes and origins of beauty in the mother infant relationship It investigates ugliness sadomasochistic beauty pursuits evolutionary factors and aspects of aging The book

highlights emerging clinical material which has yet to gain notice and suggests what analysts may be missing and why

Companion to Minimalist and Postminimalist Music Keith Potter, Kyle Gann, 2016-03-23 In recent years the music of minimalist composers such as La Monte Young Terry Riley Steve Reich and Philip Glass has increasingly become the subject of important musicological reflection research and debate Scholars have also been turning their attention to the work of lesser known contemporaries such as Phill Niblock and Eliane Radigue or to second and third generation minimalists such as John Adams Louis Andriessen Michael Nyman and William Duckworth whose range of styles may undermine any sense of shared aesthetic approach but whose output is still to a large extent informed by the innovative work of their minimalist predecessors Attempts have also been made by a number of academics to contextualise the work of composers who have moved in parallel with these developments while remaining resolutely outside its immediate environment including such diverse figures as Karel Goeyvaerts Robert Ashley Arvo Pärt and Brian Eno Theory has reflected practice in many respects with the multimedia works of Reich and Glass encouraging interdisciplinary approaches associations and interconnections

Minimalism's role in culture and society has also become the subject of recent interest and debate complementing existing scholarship which addressed the subject from the perspective of historiography analysis aesthetics and philosophy The Ashgate Research Companion to Minimalist and Postminimalist Music provides an authoritative overview of established research in this area while also offering new and innovative approaches to the subject
