

The background of the image is a dramatic landscape. On the left, a steep, rocky mountain slope descends towards the bottom left corner. The sky is filled with soft, orange and yellow clouds, suggesting a sunset or sunrise. The overall tone is warm and atmospheric.

You are an intriguing
combination, half child,
half seductress, half angel.

The Half-Child Angela Savage, 2010-08-30 Jayne Keeney is a feisty thirty something private investigator living in Bangkok. Hired to investigate the alleged suicide of Maryanne a young Australian woman Jayne immerses herself in the backstreet world of ladyboys strippers expats and corrupt officials. Working undercover Jayne discovers something far more sinister.

The Half Child Asma Almansoori, 2022-05-31 A half demon half vampire child is born to a royal family. His birth causes a huge conflict between the humans, demons and the vampires. A mysterious old man saves him from his parents' killer and the world thinks he is dead. He continues to live a normal life trying to know more about his life and to train to become stronger. Later he discovers children are being kidnapped and murdered. Under the guidance of the old man he decides to awaken his powers with the help of a smart lady to help children across the world. Soon he realizes things are not as easy as they seem and his life is turned upside down after being betrayed.

Religion and Psychotherapy in Modern Japan Christopher Harding, Iwata Fumiaki, Yoshinaga Shin'ichi, 2014-09-15 Since the late nineteenth century religious ideas and practices in Japan have become increasingly intertwined with those associated with mental health and healing. This relationship developed against the backdrop of a far broader and deeply consequential meeting between Japan's long standing Chinese influenced intellectual and institutional forms and the politics, science, philosophy and religion of the post Enlightenment West. In striving to craft a modern society and culture that could exist on terms with rather than be subsumed by western power and influence Japan became home to a religion/psy dialogue informed by pressing political priorities and rapidly shifting cultural concerns. This book provides a historically contextualized introduction to the dialogue between religion and psychotherapy in modern Japan. In doing so it draws out connections between developments in medicine, government policy, Japanese religion and spirituality, social and cultural criticism, regional dynamics and gender relations. The chapters all focus on the meeting and intermingling of religious with psychotherapeutic ideas and draw on a wide range of case studies including how temple and shrine cures of early modern Japan fared in the light of German neuropsychiatry, how Japanese Buddhist theories of mind/body and self cultivation negotiated with the findings of western medicine, how Buddhists, Christians and other organizations and groups drew and redrew the lines between religious praxis and psychological healing, how major European therapies such as Freud's fed into self consciously Japanese analyses of and treatments for the ills of the age and how distress, suffering and individuality came to be reinterpreted across the twentieth and early twenty first centuries from the southern islands of Okinawa to the devastated northern neighbourhoods of the Tohoku region after the earthquake tsunami and nuclear disasters of March 2011. *Religion and Psychotherapy in Modern Japan* will be welcomed by students and scholars working across a broad range of subjects including Japanese culture and society, religious studies, psychology and psychotherapy, mental health and international
