an effective counseling ministry is the church establishing a relationship with its members and community that conveys the message of hope and healing in Christ Having a professionally trained counseling staff in the church brings benefit to the pastoral staff not the least of which is a deep level of trust and confidence that challenging situations are being addressed in an effective and spiritual way This manual will help a church of any size create an effective new ministry whose purpose is to strengthen the body of Christ whose members are suffering or struggling with emotional and spiritual issues that go beyond the constraints of pastoral care Your church is one step closer to having a new and effectual ministry that will bring the hope and healing of Jesus Christ to those who are hurting setting free the captives and bring healing to the brokenhearted
