

A white dove is shown in flight, facing right, against a vibrant blue sky filled with soft, white clouds. A brilliant light source, possibly the sun, is positioned behind the dove, creating a strong lens flare and illuminating its feathers. The overall scene conveys a sense of peace and divine presence.

The Healing Gifts of the Spirit Agnes Sanford, 1984-08-15 This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit Many years ago Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer Subsequently she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well being In *The Healing Gifts of the Spirit* she shares the simple practicable ways of self help she discovered and gives step by step advice on how to help others She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church She devotes a chapter to the gift of miracles and another especially interesting to the gift of tongues Her exploration of these topics is richly inspiring offering readers one of the most detailed informative discussions of the nature dynamics and potential rewards of these unique manifestations of God's presence At the same time she demonstrates how anyone can draw upon this healing power for good in the world As evidence of how these gifts can and do reveal themselves the author cites many examples from observation and personal encounters with the healing power of the Spirit

The Gifts of the Spirit and the Characteristics of Those Who Have Them Steve Rogers,2019-01-10 As a sergeant in the United States Marine Corps it was my sworn duty to guide teach and protect those who served in subordinate positions In this role it was critical to provide clear and concise information so that those who trusted my leadership would not be ignorant to the mission or threats The apostle Paul gives a clear warning to Christian believers pertaining to the gifts of the Spirit I would not have you be ignorant His first century warning is quite relevant in this twenty first century where doctrinal literacy is lacking and knowledge of the Holy Ghost obtained through the Word of God and experience has been replaced with choreographed programs Without clear and concise teaching the warrior in Christ is left with a butter knife rather than a sword to cut through the traditions customs and church politics that leave a believer paralyzed in ignorance The Gifts of the Spirit and the Characteristics of Those Who Have Them is a book written to be a field infantry manual for the believer that is clear and concise It provides the believer with definitions of the gifts of the Spirit and examples of how they operated both in the first century church and this present age Lastly this book will provide the believer with the information needed to examine oneself and answer the question What gift do I have This is done by describing the effect the gift has on a believer s character and behavior while operating in and out of the church
