Songs of Ourselves Joan Shelley Rubin, 2010-03-30 Listen to a short interview with Joan Shelley Rubin Host Chris Gondek Producer Heron Crane In the years between 1880 and 1950 Americans recited poetry at family gatherings school assemblies church services camp outings and civic affairs As they did so they invested poems and the figure of the poet with the beliefs values and emotions that they experienced in those settings Reciting a poem together with others joined the

individual to the community in a special and memorable way In a strikingly original and rich portrait of the uses of verse in America Joan Shelley Rubin shows how the sites and practices of reciting poetry influenced readers lives and helped them to find meaning in a poet s words Emphasizing the cultural circumstances that influenced the production and reception of poets and poetry in this country Rubin recovers the experiences of ordinary people reading poems in public places We see the recent immigrant seeking acceptance the schoolchild eager to be integrated into the class the mourner sharing grief at a funeral the grandparent trying to bridge the generation gap all instances of readers remaking texts to meet social and personal needs Preserving the moral romantic and sentimental legacies of the nineteenth century the act of reading poems offered cultural continuity spiritual comfort and pleasure Songs of Ourselves is a unique history of literary texts as lived experience By blurring the boundaries between high and popular poetry as well as between modern and traditional it creates a fuller more democratic way of studying our poetic language and ourselves Trout Fishing in the Catskills Ed Van

Put,2014-11-04 Ed Van Put begins this important book with the history of native brook trout and offers little known details about their sizes range and demise from over fishing the growth of streamside industries and the introduction of competitive species Sweeping in its scope Trout Fishing in the Catskills tells a thorough tale of the often tumultuous history of fishing in the Catskills With a scope of over a century Van Put tells of the Catskill s frontier fishing beginnings and tracks the rise fall and eventual revival of the fisheries Throughout this is a history of people and methods as well as rivers and there are profiles of Theodore Gordon Art Flick Harry and Elsie Darbee Sparse Grey Hackle and more No serious trout fisherman in any part of the country will want to miss this pioneering portrait of a seminal region in American angling history Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
