

A man with short dark hair and a beard, wearing a black long-sleeved shirt, is singing into a microphone. He has his eyes closed and his arms are outstretched to the sides. In the background, a group of people, mostly young women, are watching and some are clapping. The setting appears to be outdoors with a stone wall in the background.

Heart of the Redeemer Timothy Terrance O'Donnell,Timothy T. O'Donnell,1992 **The Heart of Love** Ted Rivera,2013-12-03 A marvel of succinctness this presentation is one of the best I have seen for initial direction in the faith once delivered to the Fathers Dr Paige Patterson Ted Rivera unpacks the mystery of God's will with a simple yet profound look at what Jesus called the two greatest commandments loving God and loving others Filled with examples drawn from everyday life Rivera's book is practical and wise a welcome primer for any student of the Bible wanting to deepen their understanding of how to follow Jesus rightly In the end Rivera concludes Jesus isn't looking merely for consistency in obedience but for obedience in love Indeed all our good deeds are utterly worthless if they are disconnected from a heart that beats not only with love for our God but also with love for our fellow human beings The Heart of Love urges readers toward a deepened faith and a greater imitation of the God who is love

The level of misunderstanding about holiness is gross and universal thus I believe the Lord wants to use this book to teach and move the church into greater realms of fellowship with Him and greater levels of power What many teachers teach and what many believe about holiness is not holiness The word is often interchanged with words like righteousness consecration and sanctification but they are not all the same Holiness is not just a character or attribute neither is it a virtue or a set of rules It is so much more It is the nature and power of God Understanding holiness is therefore paramount because it is the key to accessing the unlimited power of God and the glory realm I believe that one of the reasons many believers are not functioning in the power of God in these last days is because they either do not understand or misunderstand holiness and how to access power by partaking in the holiness of God If you would function with God and experience face to face encounters with Him this book is for you I will be giving you a totally new revelation on Holiness just as the Lord taught me so I want you to read and meditate deeply on this book These are the days of His mighty power signs and wonders and those who have this revelation can partake of His holiness      *Straight to the Heart of Job* Phil Moore,2020-05-22 The book of Job is one of the oldest surviving pieces of writing in human history It also deals with two of the biggest questions that humans have asked throughout history what is God like and why does he allow such suffering in the world Allow Phil to take you on a journey through the book of Job to discover insights that have shaped the way that people have viewed God and viewed humanity for over 3 000 years God inspired the Bible for a reason He wants you read it and let it change your life If you are willing to take this challenge seriously then you will love Phil Moore s devotional commentaries Their bite sized chapters are punchy and relevant yet crammed with fascinating scholarship Welcome to a new way of reading the Bible Welcome to the Straight to the Heart series      *The Devotion of the Heart of Jesus with an Introduction on the History of Jansenism* John Bernard Dobree Dalgairns (Orat.),1854      *A Disciple After God's Heart* Caleb C. H. Mah,2019-07-19 Is it possible to be a disciple of Jesus after God s heart For matured Christians this may not be an issue but still it is good to know or learn more about how to follow Jesus For new Christians walking with Jesus is a daily growing process He or she will want to learn early in his or her Christian life how to follow Jesus And the question is How can a disciple of Jesus Christ experience what King David did as a man after God s heart This had been a question in my mind for many years as I served as a missionary in Cambodia I believe a Christian new or matured can be a disciple of Jesus after God s heart In this study book I have used some examples of David s life and his obedience to God as to why he was called a man after God s heart I applied the combination of David s life to discipleship with spiritual disciplines to transform our lives as disciples of Jesus Hence in this study we will find out how a Christian can be a disciple after God s heart Here is how you can use this book first you study to be a disciple of Jesus after God s heart then you study this book the second time to be a disciple seeking after God s heart
