The Heartbreak Kid:

The Heartbreak Kid Alison Kent, 2011-07-15 Caution High Voltage Electrician Sophie North felt as if she'd touched a live wire the first time she laid eyes on Tyler Barnes That was to be expected of course He had a heartbreaking grin an incredible body and a thousand watts of cowboy charm Half the women in Brody Texas were out to snag him But Sophie was just passing through And she'd sworn never to live her life at the mercy of her own passionate nature Nevertheless every time Tyler came near her her response was shocking Which wasn't supposed to be happening Lightning was only supposed to strike once

Seduced by Mrs. Robinson Beverly Gray, 2017-11-07 An Amazon Best Book of the Month Gray writes smartly and insightfully The book as a whole offers a fascinating look at how this movie tells a timeless story The Washington Post Mrs Robinson you're trying to seduce me Aren't you When The Graduate premiered in December 1967 its filmmakers had only modest expectations for what seemed to be a small sexy art house comedy adapted from an obscure first novel by an eccentric twenty four year old There was little indication that this offbeat story a young man just out of college has an affair with one of his parents friends and then runs off with her daughter would turn out to be a monster hit with an extended run in theaters and seven Academy Award nominations The film catapulted an unknown actor Dustin Hoffman to stardom with a role that is now permanently engraved in our collective memory While turning the word plastics into shorthand for soulless work and a corporate consumer culture The Graduate sparked a national debate about what was starting to be called the generation gap Now in time for this iconic film's fiftieth birthday author Beverly Gray offers up a smart close reading of the film itself as well as vivid never before revealed details from behind the scenes of the production

including all the drama and decision making of the cast and crew For movie buffs and pop culture fanatics Seduced by Mrs Robinson brings to light The Graduate s huge influence on the future of filmmaking And it explores how this unconventional movie rocked the late sixties world both reflecting and changing the era s views of sex work and marriage **ReFocus: The Films of Elaine May** Heller-Nicholas Alexandra Heller-Nicholas,2019-06-24 Spanning from obscurity to notoriety the films of director screenwriter actor and comic Elaine May have recently experienced a long overdue renaissance Although she made only four films A New Leaf 1971 The Heartbreak Kid 1972 Mikey and Nicky 1976 and Ishtar 1987 and never reached the level of acclaim of her frequent collaborator Mike Nichols May s work is as enigmatic sophisticated and unceasingly fascinating as her own complicated reluctant star persona This collection focuses both on the films she has directed and also emphasises her work with other high profile collaborators such as John Cassavetes Warren Beatty and Otto Preminger

Women and New Hollywood Aaron Hunter,Martha Shearer,2023-05-12 The 1970s has often been hailed as a great moment for American film as a generation of New Hollywood directors like Scorsese Coppola and Altman offered idiosyncratic visions of what movies could be Yet the auteurist discourse hailing these directors as the sole authors of their films has obscured the important creative roles women played in the 1970s American film industry Women and New Hollywood revises our understanding of this important era in American film by examining the contributions that women made not only as directors but also as screenwriters editors actors producers and critics Including essays on film history film texts and the decade s film theory and criticism this collection showcases the rich and varied cinematic products of women s creative labor as well as the considerable barriers they faced It considers both women working within and beyond the Hollywood film industry reconceptualizing New Hollywood by bringing it into dialogue with other American cinemas of the 1970s By valuing the many forms of creative labor involved in film production this collection offers exciting alternatives to the auteurist model and new ways of appreciating the themes and aesthetics of 1970s American film Australian Cinema

Empire of Illusion Chris Hedges, 2009-07-28 Pulitzer prize winner Chris Hedges charts the dramatic and disturbing rise of a post literate society that craves fantasy ecstasy and illusion Chris Hedges argues that we now live in two societies One the minority functions in a print based literate world that can cope with complexity and can separate illusion from truth The other a growing majority is retreating from a reality based world into one of false certainty and magic In this other society serious film and theatre as well as newspapers and books are being pushed to the margins In the tradition of Christopher Lasch's *The Culture of*

Narcissism and Neil Postman's *Amusing Ourselves to Death* Hedges navigates this culture attending WWF contests as well as Ivy League graduation ceremonies exposing an age of terrifying decline and heightened self delusion **Shawn Michaels** Stephen Ciacciarelli, 2013 A biography of pro wrestler Shawn Michaels from childhood to gifted athlete to world heavyweight champion *Crushing on the Cowboy* Sarah M. Anderson, 2016-06-27 Get ready for the sexiest rodeo yet in this male male Western romance novella from RITA Award winning author Sarah M Anderson perfect for fans of Z A Maxfield's *My Cowboy Heart As The Heartbreak Kid* Mitch Jenner is known as a lady killer the biggest flirt of all the rodeo cowboys but it's just an act In fact Mitch is so afraid of coming out that he's consciously stayed single and a virgin He's fine with being alone if it means his secret is safe until he meets the mysterious Paulo Sexy Paulo Bernardes is here to learn the American style of bull riding well enough to teach it back home in Brazil A lover a boyfriend will distract him from his goal but he's instantly captivated by Mitch who understands him even when they don't speak the same language In private Mitch yields to Paulo and the new sexual heat he comes to crave But he still resists exposing their relationship afraid of how it will change his reputation and his life Yet as they grow closer Paulo wonders how he'll move on once their time is up how he'll pick up the pieces and learn to live without his American cowboy when it's time to say goodbye Readers will root for both men to get over their hang ups and celebrate their feelings for each other Library Journal starred review This book is approximately 40 000 words *Ranger Winds: the Last Ride* E. Richard Womack, 2011-09-16 For as long as he can remember Dusty McFarland has wanted to become a Texas Ranger to follow in the footsteps of his father Ranger Captain Laughlin McFarland Now that he's turned eighteen Dusty achieves that goal and with his mother's blessings is sworn in as a ranger His father reminds him that his duties are to love the great state of Texas and to protect her with his life Dusty understands the dangers and knows that each gunfight could be his last From the moment Dusty receives his star he and his father do their best to uphold the law by tracking criminals and bringing them to justice Their adventures include finding Dusty's blood brother Tony and trying to clear him of rustling and murder charges They meet up with T Bone a dimwitted giant of a man who is teamed with the ruthless Billy Driskell They hunt now El Diablo a psychotic loner who kills and rapes for pleasure The third novel in a trilogy celebrating the tradition and legacy of the Texas Rangers *Ranger Winds The Last Ride* shows how the Rangers lived a life with demands that only a few good men could meet **The Greatest Wrestlers of All Time** Kristen Nelson, 2019-12-15 What makes a great wrestler Some might say it's technique Others might look at strength For those who love pro wrestling the ultimate decider might be charisma Both amateur wrestlers and professional wrestlers are incredible athletes that have accomplished great things in their sports Often wrestlers are great in both the amateur world and the professional ring This book includes both from Olympic medalists to WWE champions as well as highlights the accomplishments of women in these arenas Detailed accounts of these stars' careers are accompanied by stats full color photographs and plenty of inspiring content **Other Hollywood Renaissance** Lennard Dominic Lennard, 2020-09-09 In the late 1960s the collapse of the

classic Hollywood studio system led in part and for less than a decade to a production trend heavily influenced by the international art cinema. Reflecting a new self-consciousness in the US about the national film patrimony, this period is known as the Hollywood Renaissance. However, critical study of the period is generally associated with its so-called principal auteurs, slighting a number of established and emerging directors who were responsible for many of the era's most innovative and artistically successful releases. With contributions from leading film scholars, this book provides a revisionist account of this creative resurgence by discussing and memorializing twenty-four directors of note who have not yet been given a proper place in the larger history of the period. Including filmmakers such as Hal Ashby, John Frankenheimer, Mike Nichols, and Joan Micklin Silver, this more expansive approach to the auteurism of the late 1960s and 1970s seems not only appropriate but pressing, a necessary element of the re-evaluation of Hollywood with which cinema studies has been preoccupied under the challenges posed by the emergence and flourishing of new media.
