The Life of Faith Donna Hortense Brown, 2010-04-27 Faith is a decision we make to believe God therefore based on the life of faith and Gods delivering power I was inspired with a sense of purpose to pass on the message of faith to others I battled with a terrible migraine headache for many years and my husband fasted and prayed specifically for me six years ago and since then I have never had another migraine attack I have also had an adverse reaction to a medication that was given to me which comes on violently in the emergency room I had a circulatory failure and was actually going into a cardiac arrest but God kept me and I have a lot to be thankful for This has helped me find new strength and passion for life I never had before He can do the same for you if you believe and receive it
