Keeping a Good Man Down Chuck Dozier, 2018-03-27 This book is a dramatic look at marriage disappointments from a male's perspective Most men are fundamentally good and they can resist the temptations of infidelity when given a choice The challenges of dealing with a wife that constantly pushes them to the margins of his life can often be too much for some men to bear Norman found himself the object of desire for a beautiful young flight attendant He had several encounters with her in different places He even had lunch with her in his own hometown but he didn't know the woman His last encounter with her was in his hotel room late one night on a road trip to Phoenix His wife found out that he had invited the woman into his hotel room She accused him of cheating and threw him out of the house but he insisted he was innocent With divorce looming the only way he could prove his innocence was to find her and have her confront his wife with the facts He had no idea who she was where she was from or how to find her He was desperate to find the mystery woman named Pricilla who was the only person who could save his marriage *Cicero: On the Commonwealth and On the Laws* Marcus Tullius
