The Humor Of Healing A Physicians Look At The Lighter Side Of Medicine:

The Lighter Side of Breast Cancer Recovery Tammy Inc. Miller, 2012-10 The Lighter Side of Breast Cancer Recovery Lessons Learned Along the Path to Healing takes you down the path with a woman who has been there but it may not be the path that most people follow From surgeons equipped with clown noses to going through surgery wearing a feather boa Tammy looks at this very serious topic with a lighthearted attitude and some words of encouragement for others facing a difficult journey *Jesus Christ M.D.~The Awesome Power of Blending Medicine and Religion for Healing* Jerry Old MD, 2017-07-05 Do ancient religious practices help in healing today Is prayer of benefit If so what kind of prayers What about laying on of hands or casting out demons Over three fourths of patients entering a hospital wish that their health care providers would consider their spiritual needs as part of their medical care Yet most patients along with their health care professionals struggle to understand how to use this spiritual side in healing Modern healthcare is based upon science and often sees religion as getting in the way of healing However when humans combine our religious and spiritual nature with the science of modern medicine we have the most powerful tool for healing the world has ever known This book dares to explore this very personal aspect of human life that has had very little written about it the private spiritual beliefs that people share with their doctors spiritual advisors and families when they are ill injured or frightened about their health Here are the true stories of how people have used their spiritual side for healing Many will mystify and give us chills *Medical Pickwick* ,1919 **Marketing Your Clinical Practice** Neil Baum, Gretchen Henkel, 2010-10-22 This essential resource provides readers with the plans and real examples to market and grow a successful practice The guide is filled with practical marketing tips and strategies based around the five components of a successful practice **British Medical Journal** ,1928

VIA Character Strengths: Theory, Research and Practice Hadassah Littman-Ovadia, Philippe Dubreuil, Maria Christina Meyers, 2021-06-01 The Guest Editors would like to express their profound gratitude to Pavel Freidlin for his valuable work in initiating this Research Topic and actively contributing to it [Communication for Nurses](#) Pamela McHugh Schuster, 2010-02-24 This exceptional book for nurses and nursing students guides the development of the comprehensive professional communication skills to prevent errors that result in patient injuries and death With a patient safety focus thorough coverage of communication and extensive interactive ancillaries it demonstrates how communication is tied to desired clinical outcomes **How Television Shapes Our Worldview** Deborah A. Macey, Kathleen M. Ryan, Noah J. Springer, 2014-05-15 Over the last half of the twentieth century television has become the predominant medium through which the public accesses information about the world Through the news situation comedies police dramas and commercials we learn about the world around us and our role within it These genres narratives and cultural forms are not simply entertainment but powerful socializing agents that show the world as we might never see it in real life *How Television Shapes Our Worldview* brings together a diverse set of scholars methodologies and theoretical frameworks to interrogate the

ways through which television molds our vision of the outside world The essays include advertising and public relations analyses audience interviews and case studies that touch on genres ranging from science fiction in the 1970s to current reality television Television truly provides a powerful influence over how we learn about the world around us and understand its social processes

Humor and Health in the Media Malynnda A. Johnson, 2024-08-05 Examining popular media portrayals of various health topics this book offers a critical analysis of how those mediated messages can impact for good or ill people's physical and mental health Looking specifically at how various depictions of health topics have both aided in the normalization of health topics such as neurodiversity and HIV while also critiquing the dissemination of misinformation on these same topics this book offers insight into the ways in which humorous content can both help and hurt The author draws on a critical analysis of popular media including shows social media and stand up specials as well as interviews with those who use humor within health settings such as Red Nose Docs comedians who focus on their own health issues This insightful study will interest scholars and students of health in popular culture as well as health communication media studies public health administration and health policy
