The Two Weavers

 a myth from ancient Greece 

Why is Arachne's talent so important for her family? Underline the parts of the story that tell you. 

How would you describe Arachne? Write your answer on the Character Traits Web.

- 1 In ancient Greece lived a young woman named Arachne (uh **rak** nee). Arachne lived in a small cottage with her parents. The family was poor and often had only bread for their supper. However, Arachne had a special gift. She could weave with amazing skill. Where she got this skill, no one knew. Her mother, a kind and gentle woman, had no such talent.
- 2 But oh, how Arachne could weave! She began making tapestries to give to the family's friends and neighbors. News of her talent spread. Soon she was selling the glorious tapestries at the local market. Each piece of cloth was so beautiful that people came from far and wide to watch her skillful hands at work.
- 3 As for Arachne's parents, they couldn't be more proud. And they no longer had to worry about putting food on the table.
