John Haywood

The Illustrated History Of Early Man:

The Illustrated History of Early Man John Haywood, 1995 The book is the story of the development of early man Drawing on many disciplines notably archaeology palaeontology and geology it shows how the first hunter gatherer groups existed in China Java and Europe as well as Africa

The Story of Mankind - Illustrated History of the Human Civilization Retold for Children Hendrik Willem van Loon, 2019-12-18 The Story of Mankind covers the history of western civilization beginning with primitive man the development of writing art and architecture the rise of major religions and the formation of the modern nation state Van Loon explains in the book how he selected what and what not to include by subjecting all materials to the question Did the person or event in question perform an act without which the entire history of civilization would have been different

The Illustrated History of Surgery Sir Roy Calne, 2018-10-24 Throughout its development from an ancient craft of magic and religion to a field of science and technology surgery has inspired strong feelings hope and admiration fear and censure but never indifference Here for the first time in The Illustrated History of Surgery is a readable and chronological account across the whole spectrum of world history of the development of surgery and of the great personalities whose skill and courage paved the way for the modern surgeon The book also includes information on the use of drugs herbal remedies early anaesthetics and a whole range of procedures related to surgery and its evolution The text ranges from primitive surgery in prehistoric times to today s transplants and implants with a glimpse into how modern surgery is likely to develop in the future There are portraits of the great surgeons throughout the ages detailed accounts of the milestones in the progress of the profession the breaking of new ground and forming of solid bases from which the next generation of surgeons could advance to new and revolutionary techniques The Illustrated History of Surgery is a beautifully presented book with more than 200 colour illustrations gathered from around the world it tells the story of surgery in a way that is both intelligible and enthralling

The Illustrated History of the Snowman Bob Eckstein, 2018-09-01 A thoroughly entertaining exploration this book travels back in time to shed light on the snowman s enigmatic past from the present day in which the snowman reigns as the King of Kitsch to the Dark Ages with the creation of the very first snowman Eckstein s curiosity began playfully enough but soon snowballed into a mostly earnest quest of chasing Frosty around the world into museums and libraries and seeking out the advice of leading historians and scholars The result is a riveting history that reaches back through centuries and across cultures sweeping from fifteenth century Italian snowballs to eighteenth century Russian ice sculptures to the regrettable white trash years 1975 2000 The snowman is not just part of our childhood memories but is an integral part of our world culture appearing much like a frozen Forrest Gump alongside dignitaries and celebrities during momentous events Again and again the snowman pops up in rare prints paintings early movies advertising and over the past century in every art form imaginable And the jolly snowman ostensibly as pure as the driven snow also harbors a dark past full of political intrigue sex and violence With over two hundred

illustrations The Illustrated History of the Snowman is a truly original winter classic smart surprisingly enlightening and quite simply the coolest book ever The Illustrated History of the Elements Jan Kozák, Roger M.
