much in print but as time passes fewer will remember once writing her fan letters or perhaps think of the author at all In these pages Teague ensures that Marguerite Henry the writer will always be considered as every bit as remarkable as the books that she wrote Featuring original artwork by Wesley Dennis from some of Henry s best known books as well as over 100 personal photographs letters and artifacts few have seen this is a warm and wonderful biography for bibliophiles horse lovers aspiring writers and Marguerite Henry fans young and old **Newbery Award Winning Authors** , *All about Horses* Marguerite Henry,1967 An illustrated survey of horses in history encompassing the prehistoric horse the domesticated horse the horse in war legend transportation and art and horse breeds
