English Jacqueline Wilson, 2003 Dolphin and Star s mother Marigold is amusing and fun to be with but she is also depressive unpredictable and unreliable often choosing to spend her nights out partying She is also covered in tattoos from head to foot Dolphin and Star love their mother but is she the right person to look after them This deals with real life issues affecting the lives of many children including bullying family expectations growing up with one parent and facing adulthood

The Illustrated Mum; Secrets; Vicky Angel Nick Sharratt, 2004-10 Dolphin adores her mother she s got wonderful clothes bright hair and vivid tattoos all over her body She definitely lives a colourful life Dolphin s older sister Star also loves her but is beginning to wonder if staying with a mum whose temper can be as flashy as her body art is the best thing for the girls The story of Dolphin s changing relationships with her mother her sister a new friend at school and a newly discovered father is told with all the gentle humour and strikingly true emotion that we have come to expect from Transworld s top children s author
