The Image Of Europe In Henry James:

The Image of Europe in Henry James Christof Wegelin, 1958 **The Image of Europe in Henry James** Christof Wegelin, 1958 *Critical Companion to Henry James* Eric L. Haralson, Kendall Johnson, 2009 Examines the life and writings of Henry James including detailed synopses of his works explanations of literary terms biographies of friends and family and social and historical influences *Henry James's Europe* Dennis Tredy, Annick Duperray, Adrian Harding, 2011 As an American author who chose to live in Europe Henry James frequently wrote about cultural differences between the Old and New World The plight of bewildered Americans adrift on a sea of European sophistication became a regular theme in his fiction This collection of twenty four papers from some of the world's leading James scholars offers a comprehensive picture of the author's crosscultural aesthetics It provides detailed analyses of James's perception of Europe of its people and places its history and culture its artists and thinkers its aesthetics and its ethics which ultimately lead to a profound reevaluation of his writing With in depth analysis of his works of fiction his autobiographical and personal writings and his critical works the collection is a major contribution to current thinking about James transtextuality and cultural appropriation **Henry James and the Father Question** Andrew Taylor, 2002-02-28 The intellectual relationship between Henry James and his father who was a philosopher and theologian proved to be an influential resource for the novelist Andrew Taylor explores how James's writing responds to James Senior's epistemological thematic and narrative concerns and relocates these concerns in a more secularised and cosmopolitan cultural milieu Taylor examines the nature of both men's engagement with autobiographical strategies issues of gender reform and the language of religion He argues for a reading of Henry James that is informed by an awareness of paternal inheritance Taylor's study reveals the complex and at times antagonistic dialogue between the elder James and his peers particularly Emerson and Whitman in the vanguard of mid nineteenth century American Romanticism Through close readings of a wide range of novels and texts he demonstrates how this dialogue anticipates James's own theories of fiction and selfhood Henry James in Context David McWhirter, 2010-09-16 Long misread as a novelist conspicuously lacking in historical consciousness Henry James has often been viewed as detached from and uninterested in the social political and material realities of his time As this volume demonstrates however James was acutely responsive not only to his era's changing attitudes toward gender sexuality class and ethnicity but also to changing conditions of literary production and reception the rise of consumerism and mass culture and the emergence of new technologies and media of new apprehensions of time and space These essays portray the author and his works in the context of the modernity that determined formed interested appalled and or provoked his always curious mind With contributions from an international cast of distinguished scholars *Henry James in Context* provides a map of leading edge work in contemporary James studies an invaluable reference work for students and scholars and a blueprint for possible future directions **Literary Geography** Lynn M. Houston, 2019-08-02 This reference investigates the role of landscape in popular

works and in doing so explores the time in which they were written

Literary Geography An Encyclopedia of Real and Imagined Settings is an authoritative guide for students teachers and avid readers who seek to understand the importance of setting in interpreting works of literature including poetry By examining how authors and poets shaped their literary landscapes in such works as *The Great Gatsby* and *Nineteen Eighty Four* readers will discover historical political and cultural context hidden within the words of their favorite reads The alphabetically arranged entries provide easy access to analysis of some of the most well known and frequently assigned pieces of literature and poetry Entries begin with a brief introduction to the featured piece of literature and then answer the questions How is literary landscape used to shape the story How is the literary landscape imbued with the geographical political cultural and historical context of the author s contemporary world whether purposeful or not Pop up boxes provide quotes about literary landscapes throughout the book and an appendix takes a brief look at the places writers congregated and that inspired them A comprehensive scholarly bibliography of secondary sources pertaining to mapping physical and cultural geography ecocriticism and the role of nature in literature rounds out the work *Princeton Alumni Weekly* ,1958 **Henry James's Psychology of Experience** Granville H. Jones,2019-01-29 No detailed description available for Henry James s Psychology of Experience **Exploring Postcolonial Aspects of Translation** Alaoui Hichami Taoufik,2023-10-06 This book investigates the postcolonial aspects of the translations of Ahlam Mostaghanemi s *Memory in the Flesh* and Tayeb Saleh s *Season of Migration to the North* It argues that both novels provide an image of the shift of persona in the post colonial Arab world and how individuals have been affected with that change It also sheds light on that sense of homesickness felt by individuals when they are in a host country and how they dealt with that situation The themes of identity romance and feminism are highlighted in order to help readers gain a clear view of the experiences of the characters
