The Impeachment Of Governor William Sulzer:

The Impeachment of Governor William Sulzer, Etc. [A Thesis.]. Jacob Alexis FRIEDMAN, William SULZER, 1939 **The Impeachment of Governor Sulzer** Matthew L. Lifflander, 2012-08-08 Winner of the 2012 Isabelle Hermalyn Award of New York Urban History presented by the Bronx County Historical Society In *The Impeachment of Governor Sulzer* Matthew L. Lifflander brings to life the dramatic story of a forgotten incident in New York State political history When William Sulzer was elected to the office of governor of New York State in November 1912 it represented the culmination of a long and successful career in politics The son of a German immigrant father and a Scotch Irish American mother Sulzer 1863 1941 rose through the powerful Tammany Hall machine to become the youngest man ever to serve as speaker of the New York State Assembly In 1894 he was elected to Congress where he served with distinction for eighteen years rising to chairman of the House Committee on Foreign Affairs When he became governor it was with the support of the Tammany Hall machine and everyone expected that he would duly perform his duties under the direction of Tammany boss Charles F. Murphy Political reform and the corrupt influence of political machines were significant issues of the day however and shortly after Sulzer's election he began to project a populist man of the people image announcing that he belonged to no man After he rejected some of Murphy's recommendations for key appointments and initiated investigations into corrupt state officials many of them with Tammany connections it was decided that he was a threat to the party bosses and had to be removed Incredibly less than a year after his election to the highest office in New York State Sulzer had been impeached and removed In addition to shedding light on the career of one of the most interesting and colorful figures in American political history *The Impeachment of Governor Sulzer* explores legal moral and political issues that continue to this day including pervasive questions about money and politics The Impeachment of Governor William Sulzer Jacob Alexis Friedman, 1939
