The Imperial War Museum Of The First World War:

The First World War with Imperial War Museums Sarah Webb, 2014-06-27 Bring the First World War to life with a fresh interpretation of the War combining the expertise of IWM and Hodder Education in both the First World War and educational publishing This Student s Book and accompanying Dynamic Learning resource provide a discrete unit of study Together they present new stories sources and teaching tools which allow learners to explore the conflict and the experiences of those involved in the fighting and on the home front Follow the lives of individuals and focus on artefacts from IWM s collections Enable learners to investigate the War through a range of rich IWM resources including photos letters and other evidence and learn why the First World War shaped the lives of British people more than any other Ideal for GCSE lessons too

Museums and the First World War Gaynor Kavanagh, 2014-05-15 The book is concerned with how during four demanding dislocating and world changing years that most Victorian of institutions the museum was forced or prompted to meet the extraordinary test of war on the home front Museums were no more immune from the pressures of war than any other institution and the changes in museums during this period some long term others transitory do much to explain the nature and character of museums in Britain today Their history reveals and reflects the broader history of the home front and the willing stumbling confused efforts to do the right thing at the right time They were far away from the fighting the despair and degradation of the battlefields But they were in some measure not only close to but part of a society carrying both its fears and expectations for those operating in a war which disassembled all their lives The discussion covers the progress of museums from just before the advent of war in August 1914 to the immediate post war period 1920 although this is set in the context of museum developments before and after this span of time Museums are considered in relation to the tensions and prevalent conditions of this period Further the nature and effect of the experience of them and the public services they provide in both the long and short term are examined **The British Empire and the First World War** Ashley

Jackson, 2017-06-26 The British Empire played a crucial part in the First World War supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions In turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops This collection offers a comprehensive selection of essays illuminating the extent of the Empire s war contribution and experience and the richness of scholarly research on the subject Whether supporting British military operations aiding the British imperial economy or experiencing significant wartime effects on the home fronts of the Empire the war had a profound impact on the colonies and their people The chapters in this volume were originally published in Australian Historical Studies The Journal of Imperial and Commonwealth History First World War Studies or The Round Table The Commonwealth Journal of International Affairs *The First World War, 1914-18* Christine Hatt, 2006 Takes a fresh look at history by using documents as the starting point for studying major events or periods in the past This work

draws on a range of sources from diaries and letters to speeches and legal documents It explores the political situation that provided the breeding ground for war

Mapping the First World War: The Great War through maps from 1914-1918 Peter Chasseaud, The Imperial War Museum, 2013-10-24 Follow the conflict of the World War 1 from 1914 1918 through a unique collection of historical maps expert commentary and photographs Published in association and including mapping from the archives of the Imperial War Museums

Imperial War Museum Book of the War at Sea 1914-18 Julian Thompson, 2011-07-22 Based on gripping first hand testimony from the archives of the Imperial War Museum this book reveals what it was really like to serve in the Royal Navy during the First World War It was a period of huge change for the first time the British navy went into battle with untried weapon systems dreadnoughts submarines aircraft and airships Julian Thompson blends insightful narrative with never before published stories to show what these men faced and overcame Officers and men from admirals down to the youngest sailors faced the same dangers at sea in often terrible weather conditions with the ever present prospect of being blown to pieces or choking to death trapped in a compartment or turret as they plunged to the bottom of the sea In their own words they share their experiences from long patrols and pitched battles in the cold rough water of the North Sea to the perils of warfare in the Dardanelles from the cat and mouse search for Vice Admiral Graf von Spee in the Pacific to the dangerous raids on Ostend and Zeebrugge We see what it was like to spend weeks in the cramped smelly submarines of the period or to attack U boats from unreliable airships

British Women's Histories of the First World War Maggie Andrews, Alison Fell, Lucy Noakes, June Purvis, 2020-06-29 This lively collection of essays showcases recent research into the impact of the conflict on British women during the First World War and since Looking outside of the familiar representations of wartime women as nurses munitionettes and land girls it introduces the reader to lesser known aspects of women's war experience including female composers musical responses to the war changes in the culture of women's mourning dress and the complex relationships between war motherhood and politics Written during the war's centenary the chapters also consider the gendered nature of war memory in Britain exploring the emotional legacies of the conflict today and the place of women's wartime stories on the contemporary stage The collection brings together work by emerging and established scholars contributing to the shared project of rewriting British women's history of the First World War It is an essential text for anyone researching or studying this history This book was originally published as a special issue of *Women's History Review*

The New Holocaust Galleries at the Imperial War Museum London Stephan Jaeger, James Bulgin, 2025-08-18 In October 2021 Imperial War Museums IWM opened its new Holocaust Galleries in its London branch replacing its first Holocaust Exhibition from 2000 that had become a landmark in British Holocaust memory Because of its comprehensive nature and intricate scenography the new Holocaust Galleries are at the centre of almost all recent major narrative political and ethical debates about Holocaust representation in museums The book provides an ideal global case study understanding the possibilities and limitations of representing trauma and violence in

museums today and whether Holocaust exhibitions can promote democratic civic or human rights values making it an important resource for museum practitioners public history educators and university researchers alike interested in Historical Museum Memory Holocaust Genocide or Cultural Studies The volume brings together texts written by museum practitioners and academic scholars It is divided in three parts a long essay by James Bulgin Head of Content for the new Holocaust Galleries about the genesis and implementation of the exhibition supplemented with briefer essays by educators and community members involved in the development of the exhibition an extensive interview by Stephan Jaeger with IWM researchers James Bulgin and Suzanne Bardgett and an extensive part with six critical essays by university scholars analysing the new Holocaust Galleries from numerous theoretical angles Edinburgh Companion to the First World War and the Arts Ann-Marie Einhaus, 2017-05-24 A new exploration of literary and artistic responses to WW1 from 1914 to the present This authoritative reference work examines literary and artistic responses to the wars upheavals across a wide range of media and genres from poetry to pamphlets sculpture to television documentary and requiems to war reporting Rather than looking at particular forms of artistic expression in isolation and focusing only on the war and inter war period the 26 essays collected in this volume approach artistic responses to the war from a wide variety of angles and where appropriate pursue their inquiry into the present day In 6 sections covering Literature the Visual Arts Music Periodicals and Journalism Film and Broadcasting and Publishing and Material Culture a wide range of original chapters from experts across literature and the arts examine what means and approaches were employed to respond to the shock of war as well as asking such key questions as how and why literary and artistic responses to the war have changed over time and how far later works of art are responses not only to the war itself but to earlier cultural production Key Features Offers new insights into the breadth and depth of artistic responses to WWI Establishes links and parallels across a wide range of different media and genres Emphasises the development of responses in different fields from 1914 to the present **The Imperial War Museum Book of the First World War** , 2002
