Selected Correspondence

Gerald N. Grob

The Inner World Of American Psychiatry 1890 1940 Selected Correspondence:

The Inner World of American Psychiatry, 1890-1940 Gerald N. Grob, 1985 A History of Psychiatry Edward Shorter, 1998-03-03 PPPP To compress 200 years of psychiatric theory and practice into a compelling and coherent narrative is a fine achievement What strikes the reader most are Shorter's storytelling skills his ability to conjure up the personalities of the psychiatrists who shaped the discipline and the conditions under which they and their patients lived Ray Monk The Mail on Sunday magazine U K An opinionated anecdote rich history While psychiatrists may quibble and Freudians and other psychoanalysts will surely squawk those without a vested interest will be thoroughly entertained and certainly enlightened Kirkus Reviews Shorter tells his story with immense panache narrative clarity and genuinely deep erudition Roy Porter Wellcome Institute for the History of Medicine In A History of Psychiatry Edward Shorter shows us the harsh farcical and inspiring realities of society's changing attitudes toward and attempts to deal with its mentally ill and the efforts of generations of scientists and physicians to ease their suffering He paints vivid portraits of psychiatry's leading historical figures and pulls no punches in assessing their roles in advancing or sidetracking our understanding of the origins of mental illness Shorter also identifies the scientific and cultural factors that shaped the development of psychiatry He reveals the forces behind the unparalleled sophistication of psychiatry in Germany during the eighteenth and nineteenth centuries as well as the emergence of the United States as the world capital of psychoanalysis This engagingly written thoroughly researched and fiercely partisan account is compelling reading for anyone with a personal intellectual or professional interest in psychiatry

Mental Ills and Bodily Cures Joel Braslow, 2023-09-01 Mental Ills and Bodily Cures depicts a time when psychiatric medicine went to lengths we now find extreme and perhaps even brutal ways to heal the mind by treating the body From a treasure trove of California psychiatric hospital records including many verbatim transcripts of patient interviews Joel Braslow masterfully reconstructs the world of mental patients and their doctors in the first half of the twentieth century Hydrotherapy sterilization electroshock lobotomy and clitoridectomy these were among the drastic somatic treatments used in these hospitals By allowing the would be healers and those in psychological and physical distress to speak for themselves Braslow captures the intense and emotional interplay surrounding these therapies His investigation combines revealing clinical detail with the immediacy of being there in the institutional setting while decisions are made procedures undertaken and results observed by all those involved We learn how well intentioned physicians could rationalize and regard as therapeutic treatments that often had dreadful consequences and how much the social and cultural world is inscribed within the practice of biological psychiatry The book will interest historians of medicine practicing psychiatrists and everyone who knows or has seen what it's like to be in mental distress Mental Ills and Bodily Cures depicts a time when psychiatric medicine went to lengths we now find extreme and perhaps even brutal ways to heal the mind by treating the body From a treasure trove of California psychiatric hospital records includin

Keeping America Sane Ian Robert

Dowbiggin,2018-10-18 What would bring a physician to conclude that sterilization is appropriate treatment for the mentally ill and mentally handicapped Using archival sources Ian Robert Dowbiggin documents the involvement of both American and Canadian psychiatrists in the eugenics movement of the early twentieth century He explains why professional men and women committed to helping those less fortunate than themselves arrived at such morally and intellectually dubious conclusions Psychiatrists at the end of the nineteenth century felt professionally vulnerable Dowbiggin explains because they were under intense pressure from state and provincial governments and from other physicians to reform their specialty Eugenic ideas which dominated public health policy making seemed the best vehicle for catching up with the progress of science Among the prominent psychiatrist eugenicists Dowbiggin considers are G Alder Blumer Charles Kirk Clarke Thomas Salmon Clare Hincks and William Partlow Tracing psychiatric support for eugenics throughout the interwar years Dowbiggin pays special attention to the role of psychiatrists in the fierce debates about immigration policy His examination of psychiatry's unfortunate flirtation with eugenics elucidates how professional groups come to think and act along common lines within specific historical contexts

Principles and Practice of Forensic Psychiatry, 2Ed Richard Rosner,2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Important sections such as Special Issues in Forensic Psychiatry Law and the Legal System and Landmark Cases in Mental Health Law are included Designed to meet the needs of practitioners of forensic psychiatry for residents in forensic psychiatry and those preparing for the specialty examination in Forensic Psychiatry of the American Board of Psychiatry and Neurology this volume will also answer the many questions faced by mental health professionals mental health administrators correctional health professionals and correctional health administrators attorneys judges probation and parole officers and administrators all of whom at one time or another require a substantive presentation of the entire field of forensic psychiatry in the USA

Principles and Practice of Forensic Psychiatry, 2Ed Yasuhiro Monden,2003-02-28 The second edition of this award winning textbook has been thoroughly revised and updated throughout Building on the success of the first edition the book continues to address the History and Practice of Forensic Psychiatry Legal Regulation of the Practice of Psychiatry Psychiatry in relation to Civil Law Criminal Law and Family Law Important

The Lobotomy Letters Mical Raz,2013 The rise and widespread acceptance of psychosurgery constitutes one of the most troubling chapters in the history of modern medicine By the late 1950s tens of thousands of Americans had been lobotomized as treatment for a host of psychiatric disorders Though the procedure would later be decried as devastating and grossly unscientific many patients families and physicians reported veritable improvement from the surgery some patients were even considered cured The Lobotomy Letters gives an account of why this controversial procedure was sanctioned by psychiatrists and doctors of modern medicine Drawing from original

correspondence penned by lobotomy patients and their families as well as from the professional papers of lobotomy pioneer and neurologist Walter Freeman the volume reconstructs how physicians patients and their families viewed lobotomy and analyzes the reasons for its overwhelming use Mical Raz MD PhD is a physician and historian of medicine *Core Readings in Psychiatry* Michael H. Sacks, William H. Sledge, 1995 *Core Readings in Psychiatry* Second Edition stands as an essential text for the academic The contributors are distinguished experts who have a firm grasp of the relevant and classical citations in specific areas of psychiatry In the intervening 8 years since the first edition the profession s knowledge base has changed immensely Included in this second edition are numerous citations and new topics such as AIDS neuropsychiatry models of psychoanalytic thought child development and medical economics The book will open bibliographic doors for the academician as well as for the provider manager and consumer of psychiatric services and knowledge It is designed to be an introduction and guide to the entire psychiatric literature **Inventing the Feeble Mind** James Trent, 2016-11-01 *Inventing the Feeble Mind* explores the history of intellectual disability from its several identifications in the United States over the past 200 years idiocy imbecility feeble-mindedness mental deficiency and defectiveness mental retardation and most recently intellectual disability **The Routledge History of Madness and Mental Health** Greg Eghigian, 2017-04-07 *The Routledge History of Madness and Mental Health* explores the history and historiography of madness from the ancient and medieval worlds to the present day Global in scope it includes case studies from Africa Asia and South America as well as Europe and North America drawing together the latest scholarship and source material in this growing field and allowing for fresh comparisons to be made across time and space Thematically organised and written by leading academics chapters discuss broad topics such as the representation of madness in literature and the visual arts the material culture of madness the perpetual difficulty of creating a classification system for madness and mental health madness within life histories the increased globalisation of knowledge and treatment practices and the persistence of spiritual and supernatural conceptualisations of experiences associated with madness This volume also examines the challenges involved in analysing primary sources in this area and how key themes such as class gender and race have influenced the treatment and diagnosis of madness throughout history Chronologically and geographically wide ranging and providing a fascinating overview of the current state of the field this is essential reading for all students of the history of madness mental health psychiatry and medicine

Thank you categorically much for downloading **The Inner World Of American Psychiatry 1890 1940 Selected Correspondence**. Maybe you have knowledge that, people have look numerous time for their favorite books like this The Inner World Of American Psychiatry 1890 1940 Selected Correspondence, but end taking place in harmful downloads.
