series examining the development of music in specific places during particular times this book looks at ancient and medieval music from Classical and Christian antiquity to the emergence of the Gregorian chant and the medieval town and Court

Medieval Allegory and the Building of the New Jerusalem Ann Raftery Meyer, 2003 The chantry movement in late medieval England is situated in this context and leads to a demonstration of the movement's associations with the highly wrought poem Pearl and its companion poems the book analyses Pearl as medieval architecture offering fresh perspectives on its elaborate construction and historical context **BOOK JACKET** **Medieval Architecture** Nicola Coldstream, 2002

Medieval architecture comprises much more than the traditional image of Gothic cathedrals and the castles of chivalry A great variety of buildings synagogues halls and barns testify to the diverse communities and interests in western Europe in the centuries between 1150 and 1550 This book looks at their architecture from an entirely fresh perspective shifting the emphasis away from such areas as France towards the creativity of other regions including central Europe and Spain

Treating the subject thematically Coldstream seeks out what all buildings both religious and secular have in common and how they reflect the material and spiritual concerns of the people who built and used them Furthermore the author considers how and why after four centuries of shaping the landscapes and urban patterns of Europe medieval styles were superseded by classicism **Medieval Art** Leslie D. Ross, 1996-11-14 Designed as a quick reference source to the topics symbols

themes and stories most frequently found in early Christian western medieval and Byzantine art this work describes topics that include names and narratives drawn from the Bible and apocrypha the lives of saints and numerous other textual sources Authors whose works were frequently illustrated or who were influential on the visual arts are treated as are selected art historical terms and events of significance for the arts Cross references alert readers to alternate titles and related topics and the majority of entries cite a pictorial example These are keyed to standard texts for easy viewing access The dictionary begins with Aaron and ends with Zoomorphic Decoration This dictionary focuses on the medieval period and the distinctive ways in which the subjects and symbols referenced in the work evolved and developed during the Middle Ages resulting in a unique overview of the evolution development popularity and transformations that took place in medieval artistic iconography The introduction provides chronological thematic and bibliographic surveys to supplement the 500 individual entries the bibliography directs the readers to more detailed studies The work also includes names and topics not always found in art reference sources for example authors whose works were frequently illustrated or who were influential on the visual arts and historical events of significance for the arts The Middle Ages Barbara A. Hanawalt, 1998 Beginning

with the merger of Roman Christian and Germanic cultures this history of the Middle Ages covers a vast array of subjects including Byzantium and the Islamic world feudalism the Crusades the Magna Carta and much more Author Barbara A Hanawalt uses a lively and anecdotal writing style to breathe life into earlier times 35 color and 120 b w illustrations

Copyright Libri GmbH All rights reserved **Understanding Art** Flavio Conti, Maria Cristina Gozzoli, 2014-09-19

Understanding Art is a two volume fully illustrated work that strives to explain and discuss four important periods in the history of western art the Romanesque Gothic Renaissance and Baroque It aims to create a sense of understanding recognition and appreciation of art by analysing within the four periods three distinct artistic genres painting sculpture and architecture Besides the excellence of the illustrations one of the great virtues of this book is its clear and concise explanations It is truly an excellent first stop for anyone embarking on a serious study of art or anyone wishing to refresh his or her memory of the facts about the art history of the western world

Light as Experience and Imagination from Medieval to Modern Times David S. Herrstrom, 2022-11-21 In *Light as Experience and Imagination from Medieval to Modern Times* David S Herrstrom synthesizes and interprets the experience of light as revealed in a wide range of art and literature from medieval to modern times The true subject of the book is making sense of the individual s relationship with light rather than the investigation of light s essential nature while telling the story of light seducing individuals from the Middle Ages to our modern times Consequently it is not concerned with the progress of scientific inquiries into the physical properties and behavior of light optical science but rather with subjective reactions as reflected in art architecture and literature Instead of its evolution this book celebrates the complexity of our relation to light s character No individual experience of light being truer than any other
