## **The Law Of The Covenant An Exposition Of Exodus 2123:**

*The Law of the Covenant* James B. Jordan, 1984-12-01     *A New Commentary on Holy Scripture* Charles Gore, Henry Leighton Goudge, Alfred Guillaume, 1928     *The Abingdon Bible Commentary* Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929     **Elpis Israel** John Thomas, 1867     **Paperbound Books in Print** , 1983     **Religion Index One** , 1981     *Exodus 19-40* William Henry Propp, 2006 The long awaited conclusion of William H C Propp s masterful study of Exodus this informative clearly written commentary provides a new perspective on Israelite culture and on the role of ritual law and covenant in biblical religion Exodus 19 40 sets a new standard in biblical scholarship Thorough and up to date it is the first commentary on Exodus to include critical textual evidence from the recently edited Dead Sea Scrolls Informed by Propp s deep understanding of ancient cultural mores and religious traditions it casts new light on the Israelites arrival at Sinai their entry into a covenant with God their reception of the Law their worship of the golden calf and their reconciliation to God The incisive commentary on the building of the Holy Tabernacle God s wilderness abode is supplemented by numerous illustrations that clarify the biblical text Propp extends the scope and relevance of this major work in five appendices that discuss the literary formation of the Torah the historicity of the Exodus tradition the origins of Israelite monotheism the Exodus theme in the Bible and the future of Old Testament scholarship By taking an anthropological rather than strictly theological approach Propp places familiar stories within a fresh context The result is a fully accessible guide to one of the most important and best known books of the Bible     *The Book of the Covenant* Martin Sicker, 2010-03-25 According to the biblical narrative in addition to the Ten Commandments Moses received a series of supplementary instructions to guide the people as they set about establishing a society in conformity with the covenant that are to be found in the so called the Book of the Covenant The book which is imbedded in the biblical book of Exodus essentially contains addenda or amendments to longstanding customary laws with which the children of Israel were already familiar and for this reason its various components vary widely in scope depending on the extent of differentiation from customary law that they entail This study of the ordinances in the Book of the Covenant focuses not only on what they meant for the ancient Israelites but also how those laws rules instructions and admonitions were treated and in some instances modified as they were incorporated into the huge corpus of Jewish Law as it emerged over a period of some two and a half millennia     **Exodus (Teach the Text Commentary Series)** T. Desmond Alexander, 2016-08-16 Focused Biblical Scholarship to Teach the Text Effectively The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest release in this innovative commentary series is T Desmond Alexander s treatment of Exodus     **Exodus 1-19** William

Johnstone,2014 The Ten Commandments stand at the center of the book of Exodus in chapter 20 and provide the key to what the book is about They refer to the story in Exodus 1 19 that tells who God is and what God has done for Israel They refer forward to what God expects of Israel in response as the second half of the book begins to explain in Exodus 20 40 The Ten Commandments also provide key guidance about how to read the book of Exodus The content of the Ten Commandments that Moses recalls in Deuteronomy 5 differs in several respects from the edition that Exodus 20 records The differences between the version that Deuteronomy recalls and the present edition of Exodus extend far beyond the Ten Commandments and concern vital matters like covenant law and the festivals by which Israel celebrates these institutions Johnstone s commentary argues that these differences are not to be glossed over but provide evidence of a dialogue between two voices that runs throughout Exodus and beyond Dialogue is central to the formation and interpretation of Scripture and is essential to the ways in which humans attempt to speak about God Publisher s description *Epsc Exodus* John D. Currid,2014-07-07 This commentary on the text of Exodus has been written for the building up of the church It not only provides insights into the book of Exodus but also clear and concise application It is a book for everyone who wants to understand better what God says to us in his Word The author writes It is my hope that pastors will use it for sermon preparation and others for Bible study preparation and personal study Dr Currid provides solid exegesis in an accessible way matched with practical application that displays the relevance of this Old Testament book for the twenty first century This volume covers the first eighteen chapters of Exodus telling the account of the deliverance of the children of Israel from Egypt to their arrival at Sinai It is the story of the persecution of God s people their release from the domination of Pharaoh s Egypt to the crossing of the Red Sea Central to this narrative is the birth life and ministry of Moses *The Laws of the Book of the Covenant* Roger D Anderson,2022-02 Exodus Paul Williamson,2025-08-21 This commentary explains the true meaning of the book of Exodus and makes its message plain Exodus recounts the supreme Old Testament example of the saving acts of God narrates the instituting of Passover and enshrines the giving of God s law It portrays Moses as the prototype of all Israel s prophets and Aaron the first high priest Paul Williamson offers a careful and clear treatment of this foundational text with its overarching focus on the divine human relationship between the Lord Yahweh and Israel Abraham s offspring and heirs to God s promises This commentary shows how the story and theology of Exodus continues to speak of God s faithfulness to His people today The Tyndale Old Testament Commentary is designed to help the reader of the Bible understand what the text says and what it means The Introduction to each book gives a concise but thorough treatment of its authorship date original setting and purpose Following a structural Analysis the Commentary takes the book section by section drawing out its main themes and also comments on individual verses and problems of interpretation *The Book of the Covenant* Joe M. Sprinkle,1994-01-01 This volume offers a synchronic literary reading of the final form of the laws of Exodus 20 22 23 19 commonly though inaccurately labelled The Book of the Covenant in contrast with primarily source and form critical approaches commonly

utilized in the past The work seeks to demonstrate that this literary unit is much more coherent more integrated into its narrative context less in need of the positing of corruptions secondary insertions rearrangements or the like than has usually been recognized The approach instead seeks to find authorial purpose in each case where scholars have often posited scribal misadventure seams between sources disorder contradiction or corruption     *Exodus* Douglas K. Stuart,2006-06-15 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text
