Hislop     **Directory of Solicitors and Barristers 2007-2008** Law Society (Great Britain), Law Society Staff, 2007-07 The Law Society's Directory of Solicitors and Barristers provides you with information you can rely on and trust The directory is uniquely compiled with information direct from solicitors practising certificates making it the most comprehensive and up to date directory of solicitors available This well known directory is now in its 16th year and has proved to be an invaluable reference source for a wide range of sectors both commercial and not for profit     **DIRECTORY OF CORPORATE COUNSEL**, 2023     **The Solicitors' and Barristers' Directory and Diary**, 1990     **The Martindale-Hubbell Law Directory**, 1950     We Shall Persist Heidi MacDonald, 2023-04-15 Women in Atlantic Canada won the right to vote and to run for office only after long vigorous and exhausting campaigns for the Great Cause We Shall Persist explores the distinctive political contexts and common problems faced by advocates for women's suffrage and wider rights in the Maritime provinces and Newfoundland Despite virulent opposition in public and at home most nonindigenous women in the region won enfranchisement in the immediate post First World War era This victory curbed the most blatant political misogyny and prepared the way for other rights such as improved social assistance and access to birth control Yet progress was uneven and even the movement itself was marked by class and racial inequities We Shall Persist captures both the long campaign and the years of disappointment Suffrage victories across Atlantic Canada were steps in an unfinished march toward full gender race and class equality     **Ulrich's International Periodicals Directory**, 1996     Legal Skills Emily Fafinski Finch (Stefan), 2025     **Guide to American & International Directories**, 2006     **Willing's Press Guide and Advertisers' Directory and Handbook**, 2006     *Family Law Advocacy* Mavis Maclean, John Eekelaar, 2009-05-15 The role of the law in settling family disputes has been a matter of particular debate over the past twenty five years In keeping with the general public perception the media has been largely critical about the role of lawyers in family law matters sustaining a general lack of confidence in the legal profession and a more specific feeling that in family matters lawyers aggravate conflict or even represent a female conspiracy The climate in which family lawyers practise in England and Wales is therefore a harsh one The authors of this path breaking study felt it was time to find out more about the contribution of barristers in family law cases They therefore embarked on a careful study of the Family Law Bar its characteristics what its members do and how their activities contribute to the management or resolution of family disputes Much of the study is comprised of an in depth examination of the day to day activity of members of the family law bar through observation of individual barristers as they performed their role in the context of a court hearing In attempting to answer questions such as whether our family justice system is excessively adversarial or whether family barristers earn too much from human unhappiness or indeed whether those working in the front line of child protection earn enough the authors reach some surprising conclusions The barrister is both mentor and guide for the client is how they begin their conclusion we hope that we have shown that society should value their contribution better is how they finish This title is included in Bloomsbury Professional's Family Law online
