

# THE LAWS OF PLATO

TRANSLATED, WITH NOTES AND  
AN INTERPRETIVE ESSAY,  
BY THOMAS L. PANGLE

# The Laws Of Plato

**Plato**

## **The Laws Of Plato:**

**The Laws** Plato, 1970 In the *Laws* Plato describes in fascinating detail a comprehensive system of legislation in a small agricultural utopia he named Magnesia His laws not only govern crime and punishment but also form a code of conduct for all aspects of life in his ideal state from education sport and religion to sexual behaviour marriage and drinking parties Plato sets out a plan for the day to day rule of Magnesia administered by citizens and elected officials with supreme power held by a Council Although Plato's views that citizens should act in complete obedience to the law have been read as totalitarian the *Laws* nonetheless constitutes a highly impressive programme for the reform of society and provides a crucial insight into the mind of one of Classical Greece's foremost thinkers

**Laws** Plato, Aeterna Press, 2015-09-01 THE genuineness of the *Laws* is sufficiently proved 1 by more than twenty citations of them in the writings of Aristotle who was residing at Athens during the last twenty years of the life of Plato and who having left it after his death B C 347 returned thither twelve years later B C 335 2 by the allusion of Isocrates writing 346 B C a year after the death of Plato and probably not more than three or four years after the composition of the *Laws* who speaks of the *Laws* and *Republics* written by philosophers 3 by the reference Athen 226 A of the comic poet Alexis a younger contemporary of Plato fl B C 356 306 to the enactment about prices which occurs in *Laws* xi 917 B foll viz that the same goods should not be offered at two prices on the same day 4 by the unanimous voice of later antiquity and the absence of any suspicion among ancient writers worth speaking of to the contrary for it is not said of Philippus of Opus that he composed any part of the *Laws* but only that he copied them out of the waxen tablets and was thought by some to have written the *Epinomis* Diog Laert iii 25 Aeterna Press

[The Laws of Plato](#) Plato, 2016-06-10 The *Laws* by Plato are the final and lengthiest dialogue written by the renowned Ancient Greek philosopher Considered something of a magnum opus by scholars of classical philosophy in this book Plato sets out the principles of legal theory and how each principle comes to be applied in civilized organized society The lengthy text is divided into twelve distinct books with a variety of legal topics discussed in considerable depth in every one Unusually for a Platonic dialogue the character of Socrates who in life was one of Plato's mentors in philosophy is not present Instead the conversations take place between a Greek citizen a Spartan named Megillos and a Cretan politician and legal scholar by the name of Clinias The definition of law is already assumed at the beginning with the three characters instead preoccupied with who is responsible for its creation and development in a given society The dialogue proceeds to discuss and detail the purpose of law in everyday realms of existence from how it is related to art religion or philosophy The essential role of law in education be that of music drama or otherwise is also given due discourse Finally Plato discusses the notion of natural law and whether there are rights which can be taken as natural Translated by Oxford scholar and prolific translator Benjamin Jowett this edition of Plato's *Laws* is perfect for those wishing to benefit from the insights of the Platonic dialogues at a low cost

**Plato's "Laws"** Seth Benardete, 2024-02-28 An insightful commentary on Plato's *Laws* his complex final work The *Laws* was Plato's last work his

longest and one of his most difficult In contrast to the Republic which presents an abstract ideal the Laws appears to provide practical guidelines for the establishment and maintenance of political order in the real world Classicist Seth Benardete offers a rich analysis of each of the twelve books of the Laws which illuminates Plato's major themes and arguments concerning theology the soul justice and education Most importantly Benardete shows how music in a broad sense including drama epic poetry and even puppetry mediates between reason and the city in Plato's philosophy of law Benardete also uncovers the work's concealed ontological dimension explaining why it is hidden and how it can be brought to light In establishing the coherence and underlying organization of Plato's last dialogue Benardete makes a significant contribution to Platonic studies

**Plato's Laws** Samuel Scolnicov, Luc Brisson, 2003 The articles in this volume are a selection of the papers presented at the Sixth Symposium Platonicum of the International Plato Society under the auspices of the Israel Academy of Sciences and Humanities and of the Faculty of Humanities of The Hebrew University of Jerusalem They reflect the breadth of topics and the range of problems present in Plato's Laws problems of editing and literary form rhetoric and style Homeric quotations the Socratic influence soul and motion pleasure virtue and happiness ethics and education gender public offices economics and philosophy of history political philosophy and religion Addressed are also the historical and literary contexts of the Laws and its later repercussions taken from back cover [Laws Plato](#), 2019-02-08 This edition of Laws by Plato is given by Ashed Phoenix Million Book Edition [Laws Plato](#), 2011-11-28 Laws **The laws of Plato** E.B. England, [Laws Plato](#), 2022-03-01 This is a superb new translation that is remarkably accurate to Plato's very difficult Greek yet clear and highly readable The notes are more helpful than those in any other available translation of the Laws since they contain both the information needed by the beginning student as well as analytical notes that include references to the secondary literature for the more advanced reader For either the beginner or the scholar this should be the preferred translation Christopher Bobonich Clarence Irving Lewis Professor of Philosophy Stanford University [The Laws of Plato](#) Plato, 1988-03-15 HIST 311 Classical History Dr Blum **The Laws of Plato: Books I-VI** Plato, 1976 **Plato's Cretan City** Glenn R. Morrow, 2022-03-08 Plato's Cretan City is a thorough investigation into the roots of Plato's Laws and a compelling explication of his ideas on legislation and social institutions A dialogue among three travelers the Laws proposes a detailed plan for administering a new colony on the island of Crete In examining this dialogue Glenn Morrow describes the contemporary Greek institutions in Athens Crete and Sparta on which Plato based his model city and explores the philosopher's proposed regulations concerning property the family government and the administration of justice education and religion He approaches the Laws as both a living document of reform and a philosophical inquiry into humankind's highest earthly duty **LAWS OF PLATO THE TEXT ED W/IN** Plato, Edwin Bourdieu 1847- England, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will

see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      The Laws of Plato Plato,1921

*Laws* PLATO.,Benjamin Jowett,2025-03-28 Explore the foundations of political philosophy and jurisprudence with Plato's *Laws* a seminal work exploring the ideal state and the principles of governance Delving into the intricacies of law justice and the structure of government this dialogue presents Plato's vision for a well ordered society in ancient Greece *Laws* offers timeless insights into the relationship between the individual and the state examining the crucial role of legislation in shaping civic life A cornerstone of political thought this book remains essential reading for anyone seeking to understand the enduring questions surrounding law authority and the pursuit of a just society This meticulously prepared print edition makes Plato's classic accessible to all interested in the foundations of political science and the enduring quest for the perfect state This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Plato: Laws 10* ,2008-02-07 The *Laws* is Plato's last and longest dialogue Although it has been neglected compared to such works as the *Republic* and *Symposium* it is beginning to receive a great deal of scholarly attention Book 10 of the *Laws* contains Plato's fullest defence of the existence of the gods and his last word on their nature as well as a presentation and defence of laws against impiety e g atheism Plato's primary aim is to defend the idea that the gods exist and that they are good this latter meaning that they do not neglect human beings and cannot be swayed by prayers and sacrifices to overlook injustice As such the *Laws* is an important text for anyone interested in ancient Greek religion philosophy and politics generally and the later thought of Plato in particular Robert Mayhew presents a new translation with commentary of Book 10 of the *Laws* His primary aim in the translation is fidelity to the Greek His commentary focuses on philosophical issues broadly understood to include religion and politics and deals with philological matters only when doing so serves to better explain those issues Knowledge of Greek is not assumed and the Greek that does appear has been transliterated It is the first commentary in English of any kind on *Laws 10* for nearly 140 years      **Laws:**

**Plato** Plato,2010-04-20 Laws Plato written by legendary author Plato is widely considered to be one of the greatest classic and historical texts of all time This great classic will surely attract a whole new generation of readers For many Laws Plato is required reading for various courses and curriculums And for others who simply enjoy reading timeless pieces of classic literature this gem by Plato is highly recommended Published by Classic Books International and beautifully produced Laws Plato would make an ideal gift and it should be a part of everyone s personal library *An Introduction to Plato's Laws* R. F. Stalley,1983-01-01 Reading the Republic without reference to the less familiar Laws can lead to a distorted view of Plato s political theory In the Republic the philosopher describes his ideal city in his last and longest work he deals with the more detailed considerations involved in setting up a second best practical utopia The relative neglect of the Laws has stemmed largely from the obscurity of its style and the apparent chaos of its organization so that although good translations now exist students of philosophy and political science still find the text inaccessible This first full length philosophical introduction to the Laws will therefore prove invaluable The opening chapters describe the general character of the dialogue and set it in the context of Plato s political philosophy as a whole Each of the remaining chapters deals with a single topic ranging over material scattered through the text and so drawing together the threads of the argument in a stimulating and readily comprehensible way Those topics include education punishment responsibility religion virtue and pleasure as well as political matters and law itself Throughout the author encourages the reader to think critically about Plato s ideas and to see their relevance to present day philosophical debate No knowledge of Greek is required and only a limited background in philosophy Although aimed primarily at students the book will also be of interest to more advanced readers since it provides for the first time a philosophical as opposed to linguistic or historical commentary on the Laws in English Plato's 'Laws' Christopher Bobonich,2013-05-30 Long understudied Plato s Laws has been the object of renewed attention in the past decade and is now considered to be his major work of political philosophy besides the Republic In his last dialogue Plato returns to the project of describing the foundation of a just city and sketches in considerable detail its constitution laws and other social institutions Written by leading Platonists these essays cover a wide range of topics central for understanding the Laws such as the aim of the Laws as a whole the ethical psychology of the Laws especially its views of pleasure and non rational motivations and whether and if so how the strict law code of the Laws can encourage genuine virtue They make an important contribution to ongoing debates and will open up fresh lines of inquiry for further research **Plato's 'Laws'** Christopher Bobonich,2010-11-11 Long understudied Plato s Laws has been the object of renewed attention in the past decade and is now considered to be his major work of political philosophy besides the Republic In his last dialogue Plato returns to the project of describing the foundation of a just city and sketches in considerable detail its constitution laws and other social institutions Written by leading Platonists the essays in this volume cover a wide range of topics central for understanding the Laws such as the aim of the Laws as a whole the ethical psychology of the Laws especially its views of

pleasure and non rational motivations and whether and if so how the strict law code of the Laws can encourage genuine virtue They make an important contribution to ongoing debates and will open up fresh lines of inquiry for further research

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **The Laws Of Plato**

In a global inundated with displays and the cacophony of fast transmission, the profound power and mental resonance of verbal artistry frequently diminish in to obscurity, eclipsed by the constant onslaught of sound and distractions. ## **The Laws Of Plato Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Laws Of Plato PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and

effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Laws Of Plato PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Laws Of Plato free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About The Laws Of Plato Books

**What is a The Laws Of Plato PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a The Laws Of Plato PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a The Laws Of Plato PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a The Laws Of Plato PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Laws Of Plato PDF?** Most PDF editing software allows you to add

password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
