Davey,2009-01-15 This book was inspired by the Holy Spirit I am grateful to those who have supported me in this project The poems are a document to truth as known in the scriptures and historians of those times It is my prayer that you and your family will gain spiritual enlightenment The Truth about Jesus of Nazareth as Derived from a Study of the Gospel Narratives Philip Sidney,1904 *The Doctrine of the New Jerusalem Respecting the Sacred Scripture. Fifth Edition* Emanuel Swedenborg,1826 The Stories of Jesus Elizabeth Danna,2016-04-15 The Stories of Jesus is a seven week Bible study for small groups or individuals Drawing from history archaeology literary studies and the original languages this is a one of a kind look at the parables of the Gospels of Matthew Mark and Luke Sitting at the feet of Jesus the Master Storyteller you ll gain a fresh appreciation of these familiar stories and be challenged to grow spiritually *The Voice of Truth* Neville Earl Walker,2011-03-28 In view of the behavioral inconsistency with doctrine by born again believers this book serves to offer guidelines so that earnest believers who speak of eternal life will also behave in a manner that relates to their expectations As Christians we previously lived in nonconformity to the things that the Bible encourages Now our new lifestyle should demonstrate the teaching of the Bible to Love not the world neither the things that are in the world If any man loves the world the love of the Father is not in him For all that is in the world the lust of the flesh and the lust of the eyes and the pride of life is not of the Father but is of the world 1 Jn 2 15 16 Love of the world involves fleshly lust and selfish pride It is the most challenging antagonism that can distract a believer s walk with the Lord To be enthralled by worldliness means that he or she is deceived and such worldly pursuit can only lead to separation from God In light of the deceiving elements that lead to destruction The Voice of Truth purports to edify believers for the perfecting of the Saints and the unity of the faith The lifestyle of Saints must adopt the attitude of pleasing God not ourselves Our behavior must conform to doctrinal principles through love as the body of Christ **Dancing With The Devil** Kathleen Dryden,2025-02-21 Dancing With The

Devil is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn't belong unless we give him access through the choices we make that reject Christ's statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land

In a Carpenter's Overall Ishmael Angelo, 2006-01-20 The foundation of religion is a true idea of God It is upon this idea of the Divine that all doctrines ultimately rest Christianity affirms the existence of three Divine persons in the one God the Father the Son and Holy Spirit This is an erroneous concept that has been uncritically embraced in the Roman Orthodox and Protestant Churches The idea of a triumvirate of Divine persons has had disastrous consequences for mankind It spawned the doctrine of the atonement that interprets the Crucifixion in terms of a human sacrifice for sin a propitiation by the Son to a wrathful Father whose sense of justice demanded punishment for sin As a direct consequence of the widespread acceptance of this preposterous doctrine Christianity inevitable acquired the status of a do nothing religion the gods having done it all for man who is justified that is declared righteous by mere faith in the atoning death of Jesus The result has been the emasculation of the Christian Faith and the erosion of genuine spirituality as no serious effort is made towards a reformation of character through the renunciation of evil In A Carpenter's Overall affirms the existence of one God who incarnated in the person of Jesus Christ in whom resided the Father the Son and the Holy Spirit one God in one Divine person

In the words of Paul In him dwelleth all the fullness of the Godhead bodily Colossians 2 9 Having established that the Jesus of the New Testament is the very I AM THAT I AM of the Old Testament the idea of the Crucifixion as a human sacrifice for sin is examined and shown to be unscriptural unnecessary and utterly blasphemous The doctrine of instant salvation justification by faith is refuted repentance and the renunciation of evil being the only means whereby salvation can be attained A true idea of the Divine is affirmed one God whose very nature is centered infinite love and compassion for the human race and who enfleshed Himself entering into the dimensions of space and time in response to the demands of this unfathomable love In A Carpenter s Overall is based on the revelations of Emanuel Swedenborg the eminent 18th century scientist turned theologian and revelator the sleeping giant in the bosom of Christianity waiting to be discovered And the most fascinating part of the book is the 138 quotations from his theological works classified under 20 subject headings in Appendix V These quotations are utterly sublime and make an excellent introduction to the Writings the name applied to Swedenborg s 30 volumes of theological exposition God s glorious gift to the human race divinely inspired as the Old Testament and the New In the Writings is the Second Coming of the Lord **Dakota Seas** C.
