**[Complete, Classic Edition] - Lazy Man's Guide to Enlightenment, by Thaddeus Golas, (the)** Thaddeus Golas,2010-10-31 For four decades The Lazy Man s Guide to Enlightenment has touched the lives of its readers This classic manual on human consciousness takes us on a journey through the often confusing world of Spiritual Transformation it has been described as the last book you ll ever need to read on spirituality A classic in its days it inspired a flood of self help manuals none of which hold a candle the wit the deft prose and the shrewd logic of street philosopher and poet Thaddeus Golas American Author Thaddeus Golas 1924 1997 who lived in San Francisco during the 60s great upheaval revised his famous metaphysical manuscript at the end of his life in hopes that the text would connect with younger readers To this end he removed certain phrasings which dated the book and connected it too specifically to the hippie counterculture of the 70s He also added three new chapters which clarified concepts that had confused readers over time making this expanded and definitive version of The Lazy Man s Guide to Enlightenment a gift for future generations Available from the publisher [www](http://www)
