can destroy Throughout my life experiences I have come to identify many parallels between the military the parables in the Bible and the athletic gridiron All three are battlefields in their own right and all three provide examples that can help us succeed in spiritual battle Our personal legacy hangs on the decisions we make every day But more importantly the number of souls that end up in heaven depends on how we live our lives and the example that we set To put it in military terms it is time for Christians to stand in the gap We must be the ones who rise up and run toward the battle We must be prepared and poised to react and respond when we identify a spiritual assault No matter what mission we are tasked with we must be the few the proud the elite warriors that will fearlessly sprint toward the chaos that has infiltrated our society I have incorporated stories event and life lessons that stem from my personal life my experiences as a US Marine as well as my twenty two year coaching career I looked to connect them to biblical teachings My goal was to create an essential knowledge blueprint so that readers could refer to and draw from when they identify a spiritual attack I want to help Christian leaders prepare for the battle counterattack and be the victor that I know you can be I challenge you as a Christian leader to be courageous Make the tough decision to lead every day We are all imperfect We are all sinners But with God s help we can be victors The time is now Be bold step up and be the leader that God knows you can be The Ouest for Biblical Servant Leadership Keum Ju Jewel Hyun, Grace Y. May, Philomena Mwaura, Julius Kithinii, 2023-05-26 Improve your service While many claim to offer models of leadership suitable for contemporary society this book goes a notch higher by doing so through the prism of Iesus s servant leadership As the servant leader par excellence Jesus not only taught but demonstrated service by stooping down and washing his disciples feet This book distills the experience and wisdom of men and women who have practically benefited from Jesus s leadership Reflective of the global church all the authors speak of a servant leadership inspired by love honoring of God humble in approach and seeking the welfare of others without neglecting a healthy self regard Whether you work on site or remotely you will find the grist for robust leadership This book is a must read for theologians businesspeople educators students and Christian practitioners seeking to make a difference in our times The Perfect Leader Ken Boa, 2010-01-01 Ken Boa hits the mark You don't have to look very far today to come across popular ideas of leadership that try hard to mimic biblical principles The problem is that s all they do mimic Boa propels leadership a giant step forward with the revelation of the ultimate Christian leadership model Boa rejects the compromises found in much of today s teaching that force fit secular standards into a biblical mold ideas that hover around humanistic ideas of fairness kindness and basic morality Instead Boa challenges leaders to do a serious evaluation of their approach and to follow the leadership qualities exhibited by God in his Word Unconventionality of Church Leadership, The Earlington Guiste, 2015-08-05 If you were to ask a room full of CEOs what the most important leadership trait is for an executive officer most would share such attributes as authoritative decisive knowledgeable dedicated tough tactical and dominant It is doubtful that any would say humility The challenge for many churches today is that church officers and leaders are trained to

think in terms of secular leadership practices which are often void of servility The Unconventionality of Church Leadership It Works examines current business leadership principles and compares them with the exemplary leadership practices that Jesus displayed while here on earth By implementing a shepherd servant leadership model in our churches and executing a strategic plan that engages and utilizes the talents of all members Earlington Guiste seeks to inspire church members and leaders to carry out the great commission and fulfill the organismic nature of God's church The "I" of Leadership Nigel Nicholson, 2013-03-26 This is the leadership book you have to read a barn storming new take on what makes a versatile integrated and effective leader Using stories and examples from the lives of leaders from the sports stadium to the White House to the office of the CEO Nicholson shows vividly how the capacity of leaders to see what others do not see frames their actions and allows them to transform build destroy or stabilize Leaders fail through lack of insight into themselves and into the worlds they inhabit The strategic challenge of leadership is to find the right balance between impact and versatility and the successful crafting of an identity that merges the leader and the surrounding culture or zeitgeist Leaders covered in the book include George Bush Tony Blair George S Patton Warren Buffet Steve Jobs Josef Stalin Hannibal Elizabeth I Nelson Mandela Edith Cowan Abraham Lincoln Mohandas Gandhi Henry Ford Ernest Shackleton Barack Obama Robert Maxwell JFK Pope John XXIII Margaret Thatcher and Samuel Pepys This book resonates with insights and searching questions on the nature of human leadership It will be an invaluable guide to managers consultants and people everywhere Ministry Handbook Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward they will likely point to the serving work of the deacon These special men are the foundation of healthy churches because of their unique servant leadership role no matter the church size Typically they visit the homebound and the sick as they care and pray for those in need Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does but it does not equate to understanding what a deacon is Through this book Alan Witham Steve Rice and their teammates bring clarity to the role of deacon by providing a practical guide that serves as The Deacon Ministry Handbook The authors bring decades of local church experience having served as deacons pastors and consultants **Gospel Training for Deacons** Robert H. Thune, 2024-08-26 Gospel Training for Deacons lays a solid foundation for diaconal service by providing tools for spiritual Journey Basil Norman Sparks, 2008 formation biblical direction for the role **Coaching Is Servant Leadership** Dr. Anita S. Greenlee, 2019-01-29 When an individual or an organization recognizes the need to improve they often search for a coach Dating to Biblical times the relationship between coach and coachee is foundational to our very nature A good coach can help individuals and organizations develop leadership skills and competencies to survive and thrive no matter what the circumstances Dr Anita S Greenlee explores the benefits of coaching for coaches and coachees alike in this servant leadership guide She defines what coaching is explores its origins and answers key questions such as What kind of coach is needed to assist with ongoing staffing issues What do leadership development and coaching entail What should a potential

Fryling, 2011-03-16 Everyone in a position of responsibility knows the tension of leadership It may be between tasks or people money or mission the present or the future One often neglected tension is between our inner spiritual longings and the outward needs of the group we lead But we need not feel forced to choose between the two Leadership has more in comm NIV, Leadership Bible Zondervan, 2013-06-25 In the NIV Leadership Bible you ll learn from both ancient and contemporary experts in leadership theory This Bible is designed around 52 Home Pages that offer topical studies divided into three categories personal development relationships and skills It s true You can spend just 15 minutes a day to increase your leadership effectiveness Plus it s organized so that you can easily look up related verses when you re looking for quidance on a specific topic Each week you ll cover a specific leadership topic One week you ll study a personal quality such as Courage Humility or Vision Another week will hold lessons about practical skills like Conflict Management or Systems Thinking You ll also find relevant topics relating to interpersonal relationships such as Healthy Alliances Power and Influence and Servant Leadership This edition includes helpful tools to help you grow as you lead others Complete NIV text Book Introductions underscore key leadership concepts Home Pages and Daily Studies offer 52 weeks of studies on important leadership topics Study Windows reinforce your understanding of Biblical leadership Character Profiles show how personal attributes of biblical characters affected their relationships Topical Index helps you find verses on particular subjects Character Profile Index Bibliography Order your NIV Leadership Bible today and reinvigorate your leadership skills day by day This Bible offers supplemental information on the following topics Character Commitment Courage Dependence Humility Integrity Obedience Priorities Purpose Self discipline Values Vision Wisdom Encouragement Exhortation Alliances Interpersonal Relationships Power Leadership Accountability Change Innovation Communication Conflict Management Decision Making Double loop Learning Empowerment Justice Organization Long range Planning Human Resources Problem Solving Excellence Rewards Situational Leadership Stress Management Structure Organization Systems Thinking Team Building Time Management The Organization and Leadership of the First Century <u>Church</u>: a Study Dr. Richard R. The Three-Dimensional Leader Rod Dempsey, Dave Earley, Adam McClendon, 2023-08-02 A comprehensive manual for Christian leadership Christian leaders need biblical character spiritual power and practical skills Yet often one of these aspects is overemphasized and the others are neglected The Three Dimensional Leader A Biblical Spiritual and Practical Guide to Christian Leadership recognizes that these traits need to be unified in Christian leaders Jesus exemplified these most effectively so we must look to him for our vision of leadership Authors Rod Dempsey Dave Earley and Adam McClendon bring together their decades of experience developing disciples into leaders for the work of the kingdom The Three Dimensional Leader provides a biblical basis practical examples and a helpful assessment tool that directs the Christian The Greatest Leader Ever Doug Strickel, 2025-08-05 Whether you are a Jesus follower or not The leader toward growth Greatest Leader Ever will provide you with timeless leadership concepts that will help you grow in your influence and impact on others This book will take you through some very action oriented concepts that you can implement as part of your leadership development plan If you are a Christian business leader seeking to align your leadership growth plan with those displayed by Jesus this book will provide you with that pathway If you are just seeking a proven leadership approach and not concerned about the biblical foundation this book provides that as well We are living in a culture where leadership is lacking in many areas We have people in positions who lack authentic leadership We have people seeking power and control but lacking service and sacrifice We have people wanting to be in charge but not taking care of those in their charge My purpose and passion is to let my light shine by sharing my thoughts experiences and learnings with you so that you will impact others Together we can change the work environment our governmental agencies and our communities through the power of authentic leadership The concepts shared in this book will equip you to be a leader worthy of following Northern Roads: A Journey of Life and Leadership Serving on the 60th Parallel Jeremy Norton, 2022-03-08 When Canadian Jeremy Norton applied for a position in Alaska the childhood home of his wife he never envisioned that God would actually call him to the Northern Roads But God had a plan that was greater than anything Jeremy could have imagined Journey down the Northern Roads with Jeremy as he reflects back on his early days as a pastor when he still had a lot to learn about loving people and be challenged to grow in your own walk with Christ The small town isolated Alaskan territory is the perfect place for one to stretch himself and to learn to love your neighbor in the local coffee shop So grab your own cup of coffee and take a trip down memory lane with Jeremy Norton on the Northern Roads The Greatest Cyril K. Nwozor PhD, 2017-05-31 At the same time came the disciples unto Jesus saying who is the greatest in the kingdom of heaven And Jesus called a little child unto him and set him in the midst of them and said Verily I say unto you except ye be converted and become as little children ye shall not enter into the kingdom of heaven Whosoever therefore shall humble himself as this little child the same is greatest in the kingdom of heaven Matthew 18 14 Nothing can be more humiliating than that time when the disciples should have had such contentions and in such a time and place When just as Jesus was cogitating his own death and laboring to

prepare them for it they strived and contended about office and rank This shows how deeply seated the love of power and authority is Do you want to be greatest Have a childlike character says the Lord It takes no title to be a great leader Being wealthy does not make one a great leader That you are educated with highest accolade in education does not qualify you to be a great leader A great leader is one who is humble and has a servants heart he is one who rules guides inspires and treats others as he would like to be treated Having influence or power over others is not leadership that is dictatorship A great leader is that person who possesses the ability to lead others like Christ led and has potential to teach others He is one with the ability to identify gifts and talents in others and guide them to potential A leader is someone God has chosen and people choose to follow one who loves and positively influences others to do things they may not otherwise do Ideally an effective great leader is a person who imitates Christs style of leadershipa person full of compassion integrity and humility and is not a dictator Again do you want to be greatest Have a childlike characterthink like a child love like a child trust and have faith in God like a child The Andrew Paradiam Michael J. Coyner, 2012-09-01 The current trend in church leadership involves looking for a highly gifted leader who will take over direct the future cast a vision and attract the faithful to a new mission or purpose This desire for a leader to come to the rescue is early reminiscenet of the desire of the Israelites for a king so they could be like every other nation In spite of Samuel's warnings the people insisted so God reluctantly gave them King Saul That didn t go so well While we always need good new and talented leaders we also need leaders who know how and when to be good followers Particularly in a culture of distrust leadership must be granted earned and supported by those who are willing to follow Leading begins with the counter intuitive command Come follow me This imperative is far from easy Many turned away from Jesus unable to follow However one excellent model of followership stood out from the rest the little known disciple Andrew In fact Andrew is the model and paradigm for being a Lead Follower Excellent Christian leadership is more about following Jesus than it is about learning the latest fads or tricks from business the marketplace or the academy Being an excellent Christian leader involves first and foremost being an excellent and faithful follower of Jesus Christ
