Dana and the Secret of the Magic Crystal Thomas L.

Hunter, 2017-04-29 A long time ago a magical experiment went wrong An ancient population who started it had to bear the consequences The magical explosion ripped everyone from their time Dana has been found and taken in by the dwarfs when she was just a baby On her tenth birthday there she learns about her heritage and the one of her people who not only got very old but also had exceptional abilities Curious and full of enthusiasm she now tries to find out more about herself and her people While she s searching for her past she comes across a ghost The ghost is one of her people who now instructs her and supervises her training as a magician She learns to read the old books and how to apply magic He tells her of what happened back in the day and she of course wants to search for her parents and her people even if she has to outwit time Of course she also learns respect for life in general During her training she receives orders from the King of the dwarfs to help out with a problem in the mountains Following a catastrophe more than one hundred years ago nobody can leave the mountains anymore Anyone who s tried to take on the problem has failed so far The dwarfs now hope that Dana s magical abilities can solve said problem During the hunt for a solution and for her past Dana needs to face many adventures She learns more about her heritage and during her investigations she meets more and more characters that have had contact to her people and who are willing to help her Luckily Dana is not alone Shari her little fairy and Gomek the dwarf boy accompany and support her as best as they can Is this kind of task even manageable for a ten year old and her young friends Dana and supporters won t be deterred at any rate and try everything to reach their goal
