Medieval Feminist Forum ,2000 **A Companion to Catherine of Siena** Carolyn Muessig,George Ferzoco,Beverly Kienzle,2011-11-25 This volume written by experts on Catherine of Siena considers her as a church reformer peacemaker preacher author holy woman stigmatic saint and politically astute person The manuscript tradition of works by and about her are also studied **Erotic Attunement** Cristina L. H. Traina,2011-06-15 Heightened awareness of the problem of sexual abuse has led to deep anxiety over adults touching children in nearly any context This book probes the disquieting issue of how we can draw a clear line between natural affection towards children and perverse exploitation of them **Reclaiming**

Rome: Cardinals in the Fifteenth Century Carol Mary Richardson,2009-03-25 The fifteenth century was a critical juncture for the College of Cardinals They were accused of prolonging the exile in Avignon and causing the schism At the councils at the beginning of the period their very existence was questioned They rebuilt their relationship with the popes by playing a fundamental part in reclaiming Rome when the papacy returned to its city in 1420 Because their careers were usually much longer than that of an individual pope the cardinals combined to form a much more effective force for restoring Rome In this book shifting focus from the popes to the cardinals sheds new light on a relatively unknown period for Renaissance art history and the history of Rome Dr Carol M Richardson has been awarded the Philip Leverhulme Prize 2008 in the field of History of Arts **Questioning God** Timothy Radcliffe,Lukasz Popko,2023-07-06 The interpretation of certain

key texts in the Bible by two Dominican Friars the celebrated author Cardinal Timothy Radcliffe and Biblical scholar Lukasz Popko Many today may see the relationship between God and humanity as one of passive submission and thus unquestioning Two outstanding Dominicans Cardinal Timothy Radcliffe and Lukasz Popko suggest otherwise Questioning God explores Biblical conversations with God and there is no genuine conversation without true questions Our God question us from the

first conversation of God and humanity in the Bible where God asks Adam Where are you to the Risen Lord s questioning Peter on the beach Do you love me more than these others But humanity questions God too as in the audacious questioning of Jesus by the Samaritan woman at the well In this process of mutual questioning humanity is drawn ever deeper into the life of God the eternal conversation of the Trinity Insights into these transformative conversations are helpful as the Church questions how to be faithful to God in this uncertain time Fr Popko offers a fresh translation and insights of Biblical scholarship and Cardinal Radcliffe extends his rich experience as a preacher theologian and an inspiring commentator

The Letters of St. Catherine of Siena Caterina (da Siena, santa.), The Divine Secret of Nothing Vincent Morales,2010 A man shares his synthesis of ancient and quasi empirical thinking that helped him to become more open to receive the grace that he needed to conquer the passions of the flesh to return to God what belongs to Him The man utilizes scriptural verses the wisdom of saints and philosophers and insightful illustrations to empower and encourage the reader in the good fight to conquer the passions of self for the reward that God gives to a person for conquering the passions and returning what belongs to Him is nothing less than as St Teresa of Avila said the reward of Himself This book might be difficult for some people to read due to its controversial content Nevertheless it is an illuminating and thought provoking read for people who want to know God as Complete Goodness as well as the man s revelatory thoughts on the Bible the devil the fallen angels creation and the afterlife **The Subjective Eye** Richard Valantasis, Deborah J. Haynes, James D. Smith III, Janet F. Carlson, 2006-05-15 One of the great joys of the academic life is to pay homage in a Festschrift to a scholar who has influenced both colleagues and students over years of interaction and friendship both professional and personal This volume honors a scholar and theologian of historical theology a theorist and a practitioner of religion and the arts and a keen analyst of cultural trends both ancient and modern Margaret R Miles s prodigious production as a scholar has legendary qualities Her dozen plus books alone explore history patristics ancient philosophy art and art history spiritual formation and religious practice critical theory film ethics and values personal growth gender and women s studies as well as her true academic loves Augustine and Plotinus The breadth and depth of her own work and her influence upon others demands an expansive volume which the editors of this Festschrift unfortunately had to restrict to four categories Historical Theology Religion and Culture Religion and Gender and Religion and the Visual Arts in order to capture the heart of our appreciation for her from the Introduction American Book Publishing Record ,2001 **Passionate Spirituality** Elizabeth Dreyer,2005 *Passionate Spirituality* explores the roots and meanings of passion in Western culture and then examines how passion is expressed in the works of two medieval women mystics Hildegard of Bingen and Hadewijch of Brabant and in the lives of contemporary Christians seeking to deepen their own spiritual journeys Too often the term passion is associated only with steamy films sexual sin and emotional excess cutting off the breadth of its meaning and expression for positive good But the great mystics succeed precisely because they hold together both the affective and the intellectual aspects of the spiritual

life in creative and convincing ways Their accounts of their mystical experience are important resources for information and understanding about how to talk about God more formally and for what it means to be passionately in love with God and the world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Heaven's Splendor** Mary Ann Fatula,2019-03-27 The wisdom of the saints in these sublimely beautiful pages will quench your fear of death and awaken in you a blessed hunger to join your departed loved ones and to delight with them in the Three Divine Persons who are the very heart of Heaven s splendor *Blood Matters* Bonnie Lander,Eleanor Decamp,2018-05-04 Blood Matters explores blood as a distinct category of inquiry in medieval and early modern Europe and draws together scholars who might not otherwise be in conversation **The Embodied Word** Nancy Bradley Warren,2010 The Embodied Word expands on the topic of female spirituality to encompass broad issues of religion gender and historical periodization **Subject Guide to Books in Print** ,1996 Index to Book Reviews in Religion ,1992 **Bulletin** ,2002 Advents of the Spirit Bradford E.
