Robert Duncan and Denise Levertov Albert Gelpi, Robert J. Bertholf, 2006 A distinguished group of critics examine the close association between Robert Duncan and Denise Levertov two poets central to the American postwar period and the issues of form and meaning that drew them together and then split them apart especially the question of the relation between poetry and politics the private and public responsibilities of the

poet **Robert Duncan and the Pragmatist Sublime** James Maynard, 2018-05-01 This study examines the theoretical underpinnings of Robert Duncan's poetry and poetics. The author's overriding concern is Duncan's understanding of excess in relation to poetry and the philosophies of Alfred North Whitehead, William James, and John Dewey. *The Selected Letters of Robert Creeley* Robert Creeley, 2014-01-17 Robert Creeley is one of the most celebrated and influential of the postwar American poets. His *Selected Letters* covering the years 1945-2005 are a foundational document in the recent history of North American letters. Through his engagements with mentors such as William Carlos Williams and Ezra Pound, peers such as Charles Olson, Robert Duncan, Denise Levertov, Allen Ginsberg, and Jack Kerouac, and mentees such as Charles Bernstein, Anselm Berrigan, Ed Dorn, Susan Howe, and Tom Raworth, Creeley helped forge a new poetry that reimagined writing for his and subsequent generations. A stylist of the highest order, Creeley's letters carry the clear mark of consummate literary artistry and document the life work and times of one of our greatest writers. **Robert Duncan** Robert Duncan, 2019-10-22 A landmark in the publication of twentieth-century American poetry, this first volume of the long-awaited collected poetry, non-critical prose, and plays of Robert Duncan gathers all of Duncan's books and magazine publications up to and including *Letters* (1953) and *Poems* (1956). Deftly edited, it thoroughly documents the first phase of Duncan's distinguished life in writing, making it possible to trace the poet's development as he approaches the brilliant work of his middle period. This volume includes the celebrated works *Medieval Scenes* and *The Venice Poem*, all of Duncan's long-unavailable major ventures into drama, his extensive imitations of Gertrude Stein, and the remarkable poems written in Majorca as responses to a series of collaged paste-ups by Duncan's life-long partner, the painter Jess. Books appear in chronological order of publication, with uncollected periodical and other publications arranged chronologically following each book. The introduction includes a biographical commentary on Duncan's early life and works and clears an initial path through the textual complexities of his early writing. Notes offer brief commentaries on each book and on many of the poems. The volume to follow, *The Collected Later Poetry and Plays*, will include *The Opening of the Field* (1960), *Roots and Branches* (1964), *Bending the Bow* (1968), *Ground Work* (1984), and *Ground Work II* (1987). *Live Form* Jenni Sorkin, 2016-07-26 Ceramics had a far-reaching impact in the second half of the twentieth century as its artists worked through the same ideas regarding abstraction and form as those for other creative mediums. *Live Form* shines new light on the relation of ceramics to the artistic avant-garde by looking at the central role of women in the field: potters who popularized ceramics as they worked with or taught male counterparts like John Cage, Peter Voulkos, and Ken Price. Sorkin focuses on three Americans who promoted ceramics as an advanced artistic medium: Marguerite Wildenhain, a Bauhaus-trained potter and writer; Mary Caroline M.C. Richards, who renounced formalism at Black Mountain College to pursue new performative methods; and Susan Peterson, best known for her live throwing demonstrations on public television. Together, these women pioneered a hands-on teaching style and led educational and therapeutic activities for war veterans, students, the elderly, and many others. Far from being an isolated field, ceramics offered

a sense of community and social engagement which Sorkin argues crucially set the stage for later participatory forms of art and feminist collectivism *Devouring Time* Todd Goddard,2025-11-04

third and final volume of A David Moody's critical life of Ezra Pound presents Pound's personal tragedy in a tragic time. In this volume we experience the 1939-1945 World War and Pound's hubristic involvement in Fascist Italy's part in it; we encounter the grave moral and intellectual error of Pound holding the Jewish race responsible for the war and his consequent downfall; being charged with treason, condemned as an anti-Semite and shut up for twelve years in an institution for the insane. Further, we see Pound stripped for life by his own counsel and wife of his civil and human rights. Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime's effort to promote in and through his *Cantos* and his translations a consciousness of a possible humane and just social order. The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension.

Expanding Authorship Peter Middleton, 2021-06-01 *Expanding Authorship* collects important essays by Peter Middleton that show the many ways in which in a world of proliferating communications media poetry making is increasingly the work of agencies extending beyond that of a single identifiable author. In four sections: Sound, Communities, Collaboration, and Complexity, Middleton demonstrates that this changing situation of poetry requires new understandings of the variations of authorship. He explores the internal divisions of lyric subjectivity, the vicissitudes of coauthorship and poetry networks, the creative role of editors and anthologists, and the ways in which the long poem can reveal the outer limits of authorship. Readers and scholars of Wallace Stevens, William Carlos Williams, George Oppen, Frank O'Hara, Robert Duncan, Robert Creeley, Jerome Rothenberg, Susan Howe, Lyn Hejinian, Nathaniel Mackey, and Rae Armantrout will find much to learn and enjoy in this groundbreaking volume.
