[The Idea of the Library in the Ancient World](#) Yun Lee Too,2010-01-07 In *The Idea of the Library in the Ancient World* Yun Lee Too argues that the ancient library was much more than its incarnation at Alexandria which has been the focus for students of the subject up till now In fact the library is a complex institution with many different forms It can be a building with books but it can also be individual people or the individual books themselves In antiquity the library s functions are

numerous as an instrument of power of memory of which it has various modes as an articulation of a political ideal an art gallery a place for sociality Too indirectly raises important conceptual questions about the contemporary library bringing to these the insights that a study of antiquity can offer
