critically engaging various aspects of modernity Women artists and designers played a vital role in developing a broad spectrum of modernist forms In these essays new light is shed on the practice of such well known women artists as May Morris Clarice Cliff Natacha Rambova Eileen Gray and Florine Stettheimer whose decorative practices are linked with a number of fascinating but lesser known figures such as Phoebe Traquair Mary Watts Gluck and Laura Nagy *Concise Dictionary of Women Artists* Delia Gaze,2001 The Concise Dictionary of Women Artists provides an alternative history of Western art from the Middle Ages to the present day In 200 entries it examines the lives working conditions and most of all the work of a remarkable group of artists

Dressing and Undressing Duchamp Ingrid E. Mida,2022-08-25 Fashion is a subject that has long been marginalized in art history and in museums And yet one of the most well known artists in the twentieth century Marcel Duchamp created works that challenge the notion that fashion does not belong in the museum As well there is material evidence of his engagement with clothing as part of his oeuvre This book reveals that clothing and dressing are significant themes that recur in Duchamp s life and his work including his drawings his fashioning of his body his readymades and in his curatorial gestures In examining the items of clothing worn by Duchamp and the related traces of his wardrobe management Duchamp is unmasked as a dandy His waistcoat readymade series *Made to Measure* 1957 1961 is in fact a remarkable and deliberate effort to recalibrate the definition of the readymade to include clothing With this little studied readymade series Duchamp established a precedent for sartorial art as a valid form of artistic expression In considering the material traces of Duchamp s fashioning of his body and identity in his work and life this book makes a highly original contribution to the understanding of Duchamp s work as well as the significance of the clothed body in the vanguard of Modernism Ultimately this book explains the relevance of

fashion in the museum to modern audiences today      **Equal Under the Sky** Linda M.
