Selected Letters of Leslie Stephen John W. Bicknell, 1996-09-18 Since F W Maitland's *Life and Letters of Leslie Stephen* 1907 there has been no volume of the letters written by this extraordinary and eminent Victorian Alpinist literary critic god killer editor of The Cornhill Magazine and The Dictionary of National Biography biographer historian of ideas and father of Vanessa Bell and Virginia Woolf Stephen corresponded with a host of men and women including such notables as his American friends James Russell Lowell Justice Holmes and art historian Charles E Norton such contemporaries among the intelligentsia as John Morley Henry Sidgwick George Eliot Robert Louis Stevenson F W Maitland and Thomas Hardy and the members of his family Minny his first wife his sister in law Anny Ritchie his son Thoby and his best beloved second wife Julia In his letters always readable we find his enthusiasms his ironic humour his self doubt and self pity his anguish over his retarded child Laura his candour his lively portraits of people and places his delight in the young Nessa Ginia and Thoby and his direct and easy style as he responds to his reader's interests and needs This second volume follows the demanding years Stephen spent as Editor of The Dictionary of National Biography his happy life with Julia until her death in 1895 and his continuing devotion to literature a source of much solace in his last years

Leslie Stephen's Life in Letters Gillian Fenwick, 1993 In the forty years after he left Cambridge in 1864 Leslie Stephen 1832-1904 published thirty volumes of his own writings and contributed to another twenty books He wrote literally hundreds of articles for British and American magazines and worked as editor of The Cornhill Magazine and of Alpine Journal as well as the Dictionary of National Biography By any standards his literary career was successful epitomising the life of the Victorian man of letters But he was never completely satisfied with his endeavours He remained self effacing adopting the pose of an amateur in a field in which in fact he was a superb professional asking Will not the twentieth century laugh at the nineteenth Contrary to his expectations Leslie Stephen has not been relegated to the learned footnotes as contemporary Victorian scholarship and Bloomsbury studies prove This bibliography is an account of Leslie Stephen's entire writing and publishing career based on the author's detailed research into his books and articles as well as unpublished and in many cases uncatalogued autograph material in British and American libraries museums and publishers archives Emphasis is on the composition publication history and evolution of the works including new editions and reissues of his books during Leslie Stephen's lifetime

The Global Lincoln Richard Carwardine, Jay Sexton, 2011-02-01 Perhaps more than any other American Abraham Lincoln has become a global figure one who spoke and continues to speak to people across the world Karl Marx judged Lincoln the single minded son of the working class Tolstoy reported his fame in

the Caucasus Tomas Masaryk the first president of Czechoslovakia drew strength as the Lincoln of Central Europe racially mixed republican Lincoln brigades fought in the Spanish Civil War and more recently statesmen ranging from Gordon Brown to Pervez Musharraf to Barack Obama have invoked Lincoln in support of their respective agendas This fascinating volume brings together leading historians from around the world to explore Lincoln s international legacy The authors examine the meaning and image of Lincoln in many places and across continents ranging from Germany to Japan India to Ireland Africa and Asia to Argentina and the American South The book reveals that at the heart of Lincoln s global celebrity were his political principles his record of successful executive leadership in wartime his role as the Great Emancipator and his resolute defense of popular government Yet the Global Lincoln has been a malleable and protean figure one who is forever being redefined to meet the needs of those who invoke him The first study of Lincoln s global legacy this book tells the unknown and remarkable story of the world wide impact of one of America s great presidents *Unpacking the Personal Library* Jason Camlot, J.A. modernist writers And it details how holding an ideology of a genre can shape literary debates and aesthetics The Life and Letters of Herbert Spencer David Duncan,2013-11-21 Based on his correspondence a 1908 biography of one of the late nineteenth century s most influential and controversial thinkers The Girl Prince Danell Jones,2023 A revelatory new biography of Virginia Woolf focusing on race and empire **A.V. Dicey and the Common Law Constitutional Tradition** Mark D. Walters,2020-11-12 Offers a distinctive account of the rule of law and legislative sovereignty within the work of Albert Venn Dicey The Rise of the Memoir Alex Zwerdling,2017 The Rise of the Memoir traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story
