Stethoscope Stories Joe Coppola, 2019-12-24 Country Doctor Those two words bring to mind the very sweet and capable TV personalities we grew up loving Joe Coppola M D a real life country doctor from the 1970 s and 1980 s provides a rare glimpse into what a country doctor s life entailed Some it was humorous some touching but you will never find a more honest revelation of the life and times he lived Beyond the Mountain Road Francisco Quintero, 2009-03 In the memoir *Beyond the Mountain Road* the author shares his compelling life story beginning with his birth in a city nestled in the Colombian Andes and continuing with the fascinating details of his journey through a life built on hope faith dreams ambition and love With a warm narrative style Francisco Quintero vividly describes the events that shaped his character and personality He reminisces about his childhood and recounts the difficult years he suffered as a young student following the persecution and destruction of his family due to political reasons As he advances chronologically through his life Dr Quintero offers insight into his adventures in medical school his initial encounters with patients during his hospital training his introduction to the love of his life and the creation of his family His anecdotes some humorous some tragic include details of the family s eventual voyage to the United States where they live the American dream *Beyond the Mountain Road* is the remarkable true story of a family that was able to overcome obstacles and hardship through courage and determination Above all it is a captivating love story King of the Norfolk Poachers, The: His Life and Times Charlotte Paton, 2009-10-01 In the early 1930s an elderly mole catcher became the subject of one of East Anglia s best loved tales of country life I Walked

by Night Over sixty years later Norfolk writer Charlotte Paton became fascinated by this man and set out to find the truth about him beginning with his name Frederick Rolfe Charlotte conducted exhaustive research provide a vibrant account with plenty of social history This book is the biography of a difficult man who could inspire devotion but came to a tragic end

The Life and Times of Sir Goldsworthy Gurney Dale Porter,1998 Dale H Porter has combined recent research by local Cornish historians with his own investigations of nineteenth century London politics and society to reconstruct Goldsworthy Gurney s remarkable life The Life and Times of a Black Southern Doctor Gwendolyn Hoff,2012-03-29 The Life and Times of a Black Southern Doctor or LATOBSD as it will be referred to from here on in this condensation is a saga of life in the panhandle of Florida from 1896 to 1956 and a bit beyond Doctor Alpha Omega Campbell was an actual practicing physician in and around Tallahassee between 1913 and 1956 In 1956 at the age of 67 A O Campbell was convicted of manslaughter in the death of a Jacksonville mother of two after allegedly performing a criminal abortion that eventually results in her dying On in years and eyeing semi retirement he is sent Floridas hardest prison for four of his remaining years LATOBSD begins 1 years into the doctors incarceration at the time of his dear wifes funeral Maggie Lou Campbell did not do well with her husband hundreds of miles away She has been watching their empire of wealth and real estate crumble around her spurred on by numerous jealous conspirators who position themselves like sharks around a school of hapless fish It is from that point backward I transport the reader back in time before Maggie Lou was conceived by her multi racial mother with the help of one of Leon Countys most respected grocers and back when Alfrey A O Campbells family was beholdng to a deep rooted plantation owner some called it slavery in the post emancipation south From this time forward I undertake the task of fictionalizing a seemingly unmeasurable share of people and events Most of this recounting of the doctors affairs is true to history used as a guidepost for the seventy some year story line There are many people amongst the ensemble that closely resemble many of those that truly did exist back when the delineation between black and white was beginning to show signs of gray Yet as close as the Campbells pushed that line towards equality a stronger force bludgeoned them back where they belonged As tempting as it was to make this biographical I could not Case in point the considerable liberty taken especially as it applies to the more famous characters I have inserted in this moderately loosely tied account of what really happened If you think historical fiction is tough staying true to events multiply that by two and you have a biography there will always be someone who says That isnt the way it happened So as we traipse our way into the wonderful world of fiction Consider this list of names and events In order of their appearance I The Spanish American War II 25th President William McKinley III The Galveston Hurricane1900 IV 26th President Theodore Roosevelt V George Eastman sister Judith VI Suffragette Emmeline Pankhurst VII The San Francisco Earthquake1906 VIII Playwright Sir James Barrie IX World War I X Mary PickfordEarly Hollywood XI The Pacific Clipper Flying BoatsPanAm XII Roswell New Mexico Area 51 Whoowah Nellie What does any of this have to do with a black Southern doctor you ask That is what makes history fun even if much of this stuff did not come down

quite the way I write it I promise to dedicate the 20th chapter to the process of sorting the beef from the bull the inconsistencies you all will gladly point out while reading along as the decades peel away The bottom line is that LATOBSD is not just about the doctor **The Life and Times of Daniel O'Connell** Will Fagan,1847 The Life and Times of Martin Van Buren William Lyon Mackenzie,1846 **Legend of the Third Horseman** Charles J. Caes,2009-05-15 Samuel Prescott rode into history like a streak of lightning and out of it as quick as a flash If it were not for Paul Revers deposition of his own famous midnight ride history might never remember Samuel He was a young physician courting a clockmakers daughter and planning to dedicate his life to the practice of medicineuntil the American Revolution rewrote his destiny But this is not only his story it is also that of John Hancock Samuel Adams Joseph Warren William Dawes Paul Revere Thomas Hutchinson Jonas Clark the Mullikens and those who died at Lexington and Concord and at Breeds and Bunker hills **Life and Times of Her Majesty Caroline Matilda, Volume.1 (of 3)** C. F. Lachelles Wraxall ,2015-02-05 Example i n this ebook If there be a story which may be supposed to be thoroughly familiar to the reading public it is surely that of the Queen of Denmark who is believed to have loved not wisely but too well The fate of Struensee has supplied the motive for countless works more or less historical for novels and even for an opera Hence it might reasonably be assumed that the man who ventured on intruding on the English public another work on such a thoroughly worn out topic must be either very impudent or very foolish and yet I have ventured to do so through neither of these failings but for reasons which have been duly weighed and which appear to my mind to convey their justification The first of these motives is that within a very recent period a perfectly new light has been thrown on the whole affair by permission being granted to examine the privy archives of Copenhagen From these I have been enabled to derive the hitherto unpublished documents and reports of the judges and thus prove on what worthless evidence the divorce of the queen was passed At the same time a great deal of fresh matter has been rendered available about the two unhappy men who fell victims to a mistaken sense of justice The late King of Denmark who wisely thought that publicity was the best safeguard of thrones also allowed the M moires de mon Temps of the Landgrave Charles of Hesse Cassel brother in law of Christian VII to be printed for private circulation I have been enabled to procure a copy of this work through the kindness of Baron von Jenssen Tusch who obtained it from the Prince of Augustenburg and the many curious details of the Court of Denmark it contains have been woven largely into my text Another work which has afforded me very material assistance is the Memoirs of Reverdil Secretary to Christian VII which appeared two or three years ago but is little known in this country Lastly the private journals of Sir N W Wraxall have been laid under contribution to a great extent It was made known by the publication of the Post humous Memoirs that he had been connected with the Queen of Denmark but it was only during last year that I discovered how much my grandfather knew of the affair and how well he had kept silence on the subject I have ransacked his journals correspondence c in the interests of the present work and these have enabled me I hope to bring together much not hitherto known or if known forgotten As a humble follower of Lord Macaulay I have

also recognised the value of pamphlets and chap books and have been able to obtain with some cost and trouble nearly everything published on the palace revolution during 1772 and 1773 in Germany Denmark and England I have also considered it my duty to consult every work at all connected with the subject and do not think that any one has been omitted Whether it has been in my power to prove the innocence of the Queen of Denmark is a question for my readers to decide I however take some credit to myself for publishing for the first time the letter which she wrote on her death bed to her brother This letter passed through the hands of the late King of Hanover to the Duchess of Augustenburg from whom my copy is derived To be continue in this ebook
