**The Life and Times of the Late Demon Rum** Joseph Chamberlain Furnas,1965 *The Life and Times of the Late Demon Rum* Joseph Chamberlain Furnas,1965 Informal history of American drinking habits from Colonial times through the Prohibition period to the present **The Late Demon Rum** Joseph Chamberlain Furnas,1965 **The life and time of the late demon rum** Joseph Chamberlain Furnas,1965 *Prohibition and Bootlegging in the American West* Jeremy Agnew,2022-10-25 Prohibition was imposed by eager temperance movements organizers who sought to shape public behavior through alcoholic beverage control in the 19th and early 20th centuries The success of reformers efforts resulted in National Prohibition in America from 1920 to 1933 but it also resulted in a thriving illegal business in the manufacture and distribution of illegal liquor The history of Prohibition and the resulting illegal drinking is frequently told through the lens of crime and violence in Chicago and other major East Coast cities Often neglected are the effects of Prohibition on the Western part of the United States and how Westerners rose to the challenge of avoiding the consequences of illegal drinking Illegal liquor was imported from abroad made in stills using strange ingredients that were sometimes poisonous to the unlucky drinker This history includes stories ranging from serious to quirky and provides an entertaining account of how misguided efforts resulted in numerous unintended consequences **The Rise and Fall of American Sport** Ted Vincent,1994-01-01

*Saloons, Prostitutes, and Temperance in Alaska Territory* Catherine Holder Spude,2015-02-04 In *Saloons Prostitutes and Temperance in Alaska Territory* Catherine Holder Spude explores the rise and fall of these enterprises in Skagway Alaska between the gold rush of 1897 and the enactment of Prohibition in 1918 Her gritty account offers a case study in the clash between working class men and middle class women and in the growth of women s political and economic power in the West

**Inside the Barbary Coast** David Jensen,2001-12-12 John Pitman Jr didnt want to become a doctor His father had been one and had failed a die hard who had clung to cupping and purging as a means of ridding the bodys impurities But as a stevedore on the docks of San Francisco no one could mend broken bones like John Pitmans lanky son Jack Finally the young lad decides If he is to become a doctor he will be the best **INSIDE THE BARBARY COAST** is where Jack Pitman chooses to open his medical practice It is an area of San Francisco filled with saloons parlor houses and opium dens bordering on Chinatown Fresh out of medical school Jack saves the life of a young Chinese prince who is an actor in Dr Pierre Louthans medical show Louthan did not go to medical school but easily passes off as a learned physician with his European manner silver tongued ability to converse on any subject relating to anatomy and his courses of treatment that involve a growing array of patent medicines Jack falls in love with Louthans assistant Marie not realizing she is married to the quack doctor Although Jacks nurse the wise Madam Wong cautions the young doctor he is smitten nonetheless and fathers a child Louthan believes is his Jack fights to discredit the huckster hoping Marie will see Louthan as a charlatan and leave him She however has plans of her own and manages to snare Jack in her own secret web As Jack becomes consumed in his new practice he

tries valiantly to save the life of Hawaii's King David Kalakaua who is dying at the Palace Hotel His friend Gentleman Jim Corbett the famous boxer plays a role as does Adolph Sutro San Francisco's flamboyant mayor who built the famous Sutro Baths near the Cliff House facing the sea Jack embraces electro therapeutics because he believes it is the frontier of the New Medicine When a prominent socialite is accidentally electrocuted in his office he dismisses electrotherapy altogether and labels X rays as another quack fad But he is wrong and discovers his miscalculation just as tong wars break out in Chinatown and as President McKinley sends 10 000 young troops past the Golden Gate on their way across the Pacific to the Philippines The young doctor from the Barbary Coast hones his surgical skills while serving as a medic in the Spanish American War When he returns Marie still loves him but cannot find justification to divorce her husband The bubonic plague hits San Francisco giving the unions ammunition in their fight to exclude more Chinese from immigrating to the United States Meanwhile the always scheming Dr Louthan concocts a new patent medicine that increases sexual vigor It is based on the findings of a European endocrinologist Louthan experiments on himself resulting in a fight with Marie that leaves their relationship damaged But Pierre will not grant his wife a divorce spurring Jack to join other physicians in San Francisco and around the country to discredit Louthan and other quack doctors like him The plan works and Louthan finds the underpinning to his nostrum business slipping away Jack and Marie have just attended Enrico Caruso's performance of Don Jos and taken a room at the Palace Hotel when a devastating earthquake rocks San Francisco It is April 18 1906 Shaken out of bed Jack puts Marie in a taxi to go home and heads to the Pacific Anatomical Museum where he finds Louthan has been trapped by a fallen beam As a fire erupts and flames begin licking their way closer Nate Nordstrand an old friend of Jack's who now works for Louthan swings a fire ax to amputate the quack doctor's leg to free him from the beam and encroaching inferno But Nate is not finished and swings again this time squarely across Louthan's neck An eye for an eye he shouts Jack knowing the full meaning of his cry Jack returns home and finds th

**Manhood Lost** Elaine Frantz Parsons, 2009-07-27 In fiction drama poems and pamphlets nineteenth century reformers told the familiar tale of the decent young man who fell victim to demon rum Robbed of his manhood by his first drink he slid inevitably into an abyss of despair and depravity In its discounting of the importance of free will argues Elaine Frantz Parsons this story led to increased emphasis on environmental influences as root causes of drunkenness poverty and moral corruption thus inadvertently opening the door to state intervention in the form of Prohibition Parsons also identifies the emergence of a complementary narrative of female invasion womanhood as a moral force powerful enough to sway choice As did many social reformers women temperance advocates capitalized on notions of feminine virtue and domestic responsibilities to create a public role for themselves Entering a distinctively male space the saloon to rescue fathers brothers and sons women at the same time began to enter another male bastion politics again justifying their transgression in terms of rescuing the nation's manhood Bully Boy Jim Powell, 2006-08-08 What Hath TR Wrought I don't think that any harm comes from the concentration of power in one man's

hands Theodore Roosevelt The notion that Theodore Roosevelt was one of America's greatest presidents is literally carved in stone right up there on Mount Rushmore But as historian Jim Powell shows in the refreshingly original *Bully Boy* Roosevelt's toothy grin outsized personality colossal energy and fascinating life story have obscured what he actually did as president And what Roosevelt did severely damaged the United States Until now no historian has thoroughly rebutted the adulation so widely accorded to TR Powell digs beneath the surface to expose the harm Roosevelt did to the country in his own era More important he examines the lasting consequences of Roosevelt's actions the legacies of big government expanded presidential power and foreign interventionism that plague us today *Bully Boy* reveals How Roosevelt the celebrated trust buster actually promoted monopolies How this self-proclaimed champion of conservation caused untold environmental destruction How TR expanded presidential power and brought us big government How he heralded in the era of government regulation handicapping employers destroying jobs and harming consumers How he established the dangerous precedent of pushing America into other people's wars even when our own national interests aren't at stake How this crusader for pure food launched loony campaigns against margarine corn syrup and Coca Cola How Roosevelt inspired the campaign to enact a federal income tax that was supposedly a tax on the rich but became a people's tax *Bully Boy* is both a groundbreaking look at a pivotal time in America's history and a powerful explanation of how so many of our modern troubles began

**Pottery, Politics, Art** Richard D. Mohr, 2003 *Pottery Politics Art* uses the medium of clay to explore the nature of spectacle bodies and boundaries The book analyzes the sexual and social obsessions of three of America's most intense potters artists who used the liminal potentials of clay to explore the horrors and delights of our animal selves Richard D Mohr revives from undeserved obscurity the far southern Illinois potting brothers Cornwall and Wallace Kirkpatrick 1814-90 1828-96 and examines the significance of the haunting witty and grotesque wares of the brothers Anna Pottery 1859-96 He then traces the Kirkpatricks' decisive influence on a central figure in the American Arts and Crafts movement George Ohr 1857-1918 known as the Mad Potter of Biloxi and arguably America's greatest potter Finally Mohr gives a new reading to Ohr's contorted yet lyrical and ecstatic works Abundant full color and black and white photographs illustrate this remarkable art

**Killing the White Man's Indian** Fergus M. Bordewich, 1997-04-14 In the face of a new lightly romanticized view of Native Americans Killing the White Man's Indian bravely confronts the current myths and often contradictory realities of tribal life today Following two centuries of broken treaties and virtual government extermination of the savage redmen Americans today have recast Native Americans into another equally stereotyped role that of eternal victims politically powerless and weakened by poverty and alcoholism yet whose spiritual ties with the natural world form our last best hope of salvaging our natural environment and ennobling our souls The truth however is neither as grim nor as blindly idealistic as many would expect The fact is that a virtual revolution is underway in Indian Country an upheaval of epic proportions For the first time in generations Indians are shaping their own destinies largely beyond the control of whites reinventing Indian education and justice exploiting the principle of tribal sovereignty in ways that empower tribal governments far beyond most American's imaginations While new found power has enriched tribal life and prospects and has made Native Americans fuller participants in the American dream it has brought tribal governments into direct conflict with local economics and the federal government Based on three years of research on the Native American reservations and written without a hidden conservative bias or politically correct agenda Killing the White Man's Indian takes on Native American politics and policies today in all their contradictory and controversial guises
