The Life And Work Of John Ruskin:

The Desire of My Eyes Wolfgang Kemp,2025-09-23 This tour de force of analysis Joel Agee examines the life and work of the prolific visionary writer painter and critic Kemp finds in Ruskin's life which spanned the same years as Queen Victoria's and thus embodied the Victorian era itself a faithful mirror of the history and psychological evolution of his age *The Life and Work of John Ruskin* William Gershom Collingwood,1893 [The Religion of Ruskin](#) William Burgess,1907 [Selections from the Works of John Ruskin](#) John Ruskin,2017-06-12 Introduction Two conflicting tendencies in Ruskin It is distinctive of the nineteenth century that in its passion for criticising everything in heaven and earth it by no means spared to criticise itself Alike in Carlyle's fulminations against its insincerity in Arnold's nice ridicule of Philistinism and in Ruskin's repudiation of everything modern we detect that fine dissatisfaction with the age which is perhaps only proof of its idealistic trend For the various ills of society each of these men had his panacea What Carlyle had found in hero worship and Arnold in Hellenic culture Ruskin sought in the study of art and it is of the last importance to remember that throughout his work he regarded himself not merely as a writer on painting or buildings or myths or landscape but as the appointed critic of the age For there existed in him side by side with his consuming love of the beautiful a rigorous Puritanism which was constantly correcting any tendency toward a mere cult of the aesthetic It is with the interaction of these two forces that any study of the life and writings of Ruskin should be primarily concerned I THE LIFE OF RUSKIN Ancestry It is easy to trace in the life of Ruskin these two forces tending respectively toward the love of beauty and toward the contempt of mere beauty They are indeed present from the beginning He inherited from his Scotch parents that upright fearlessness which has always characterized the race His stern mother devoted him to God before he was born and she guarded her gift with unremitting but perhaps misguided caution The child was early taught to find most of his entertainment within himself and when he did not he was whipped He had no playmates and few toys His chief story book was the Bible which he read many times from cover to cover at his mother's knee His father the perfectly honest wine merchant seems to have been the one to foster the boy's aesthetic sense he was in the habit of reading aloud to his little family and his son's apparently genuine appreciation of Scott Pope and Homer dates from the incredibly early age of five It was his father also to whom he owed his early acquaintance with the finest landscape for the boy was his companion in yearly business trips about Britain and later visited in his parents company Belgium western Germany and the Alps Early education All this of course developed the child's precocity He was early suffered and even encouraged to compose verses by ten he had written a play which has unfortunately been preserved The hot house rearing which his parents believed in and his facility in teaching himself tended to make a regular course of schooling a mere annoyance such schooling as he had did not begin till he was fifteen and lasted less than two years and was broken by illness But the chief effect of the sheltered life and advanced education to which he was subjected was to endow him with depth at the expense of breadth and to deprive him of a possibly vulgar but certainly healthy contact with his kind

which one must believe would have checked a certain disposition in him to egotism sentimentality and dogmatic vehemence

The Life and Work of John Ruskin William Gershom Collingwood, John Ruskin, 1999-01-01 This Elibron Classics title is a reprint of the original edition published by Methuen Co in London 1893 This book contains color illustrations **John Ruskin** Marion Harry Spielmann, 1900 RELIGION OF RUSKIN THE LIFE & John 1819-1900 Ruskin, William 1843-1922 Ed Burgess, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant JOHN RUSKIN A SKETCH OF HIS LI M.
