Charles River Charles River Editors,2018-03-11 Includes several letters written by Abigail Adams John Adams and Thomas Jefferson Includes pictures of Adams and important people places and events in his life Includes a Bibliography for further reading A Constitution of Government once changed from Freedom can never be restored Liberty once lost is lost forever John Adams A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known John Adams has become one of the more popular presidents in history relatively recently but it was not always so For most of his life he was seen as a bit of an outsider different from his fellow first presidents in his temperament birth life and politics Adams and his son were the only presidents out of the first seven who were born north of the Mason Dixon line and he was not an easy man to understand or work with Not only did he have few friends but he also often fell into long term quarrels with those he had Politically Adams shared Washington s preference for Britain as well as his preference of non interference However while he was certainly the more significant man in his work and his governing he could never seem to move out of Washington s shadow Even worse his presidency was seen as threatening to the very essence of American liberty with the Alien and Sedition Acts and his loss to Jefferson in 1800 was a repudiation of the Federalists that left Jeffersonians in power until John Quincy Adams was elected in 1824 His presidency is still viewed relatively unfavorably Adams remained a celebrated figure in Boston for all the work he did in Massachusetts before and after the Revolution but his national reputation has experienced quite a renaissance over the past decade beginning with David Mccullough s best selling biography in 2001 followed in 2008 by the popular HBO series based on it Then in 2010

Dearest Friend a record of the correspondence between Adams and his wife Abigail solidified his position as one of the most darling Founding Fathers of the 21st Century Several factors explain the recent boost to his legacy First unlike Washington or Jefferson Adams was not a cultural icon Therefore Americans have had more to learn about his life and work whereas recent historical findings about men like Jefferson are either anti climatic or disappointing Moreover Adams and his son are the only two of the first 10 presidents not to have owned slaves making it easier and more politically correct to like them Finally the extensive letters that passed between him and Abigail have cast him as a romantic figure in a way that few other presidents enjoy American Legends The Life of John Adams chronicles the amazing life and work of one of America s Founding Fathers but it humanizes the man who could be both mercurial and tender Along with pictures of important people places and events in her life you will learn about John Adams like you never have before in no time at all [John Adams](#) Jim Whiting,2020-02-11 Examines the life and work of John Adams the second president of the United States **The Life of John Adams** John Adams,1999-01-01 *How to Draw the Life and Times of John Adams* Ryan P.
