The Life Of Prayer:

The Life of Prayer Friedrich Freiherr von Hügel, 1928 The facts and doctrines concerning God which are of especial importance in the life of prayer The facts and truths concerning the soul which are of most importance in the life of prayer

The Life of Prayer A. B. Simpson, 2010-01-01 In the book *Life of Prayer* A B Simpson takes us on an intimate journey into the secret world of access to God through prayer A B Simpson had a vigilant prayer life that no doubt paved the way for his fame as a worship leader and a recognized evangelical of the day A B Simpson had the most effective prayer alliances of his day which led to the establishment of the Prayer Alliance and the Christian and Missionary Alliance church A B Simpson leads us into the Holy of Holies and into the secret places of the Most High It is the very life of the Christian and it touches the life of God himself Jonathan Goforth called him the man whose prayers have reached God Down through the centuries few men have had greater prayer results This testament is verified in the fact that he was able to accomplish so much through so little during such troubled times This book desires to show us God's outpouring of communities churches and lives we can begin by following the example Simpson set forth *Biography of A B Simpson* Born in 1843 A B Simpson was a major figure in American evangelicalism at the close of the 19th century he founded the Christian and Missionary Alliance established a publishing house edited a weekly magazine wrote over a hundred books eighty volumes of sermons and literature pastored multiple churches launched social programs and ministries founded a college and penned dozens of hymns and gospel songs A B Simpson died in 1919 leaving a legacy that has extended around the world leaving ministries that touched millions of lives *The Life of Prayer in the World* Francis Underhill, 1925 *The Life of Prayer* Baron F von Hügel, 2009-01-12 *The Life of Prayer* William Henry Hutchings, 1897 *The Life of Prayer. A Series of Lectures* William Henry Hutchings, 2024-07-03 Reprint of the original first published in 1877 **The Life of Prayer in a World of Science** Richard Ostrander, 2000 By the end of the 19th century the ascendancy of a naturalistic worldview had made it increasingly difficult for many educated Christians to believe in a God who intervened in the natural world At the same time many in the emerging middle class culture saw themselves as too busy to practice the rigorous devotions of their ancestors In this book Rick Ostrander explores the attempts of American Protestants to articulate a convincing and satisfying ethic of prayer in these changing circumstances Ostrander shows that in response to the assault on petitionary prayer by naturalistic scientists American Evangelicals articulated a highly supernatural ethic of prayer and co-opted the scientific method to defend their stance recording and cataloging numerous answers to prayer as empirical proof of prayer's efficacy Liberal Protestants on the other hand with their desire to adapt to modern thought gradually abandoned traditional belief in petitionary prayer The debate about the efficacy of petitionary prayer and other alternative therapies in mental and physical healing has taken on new vigor today this timely and engagingly written work not only chronicles the history of that debate but serves to illuminate the issues that are at stake *The Prayer Life You've Always Wanted* Thomas J.
