

The background illustration depicts Jesus Christ in the foreground, wearing a red tunic and a blue cloak, with a bright starburst effect on his chest. He is surrounded by several other figures, including a man in a dark hooded cloak, a man with long dark hair, and a man with a beard and a surprised expression. The scene is set against a dark, starry night sky with a full moon. In the bottom right, there is a small table with a white cloth and a brown jug.

Malum Ingolf U. Dalferth, 2022-05-31 The incursion of evil has always caused people to turn to the divine to gods or to a god in order to reorientate their life Ingolf U Dalferth studies the complexity of this procedure in three thought processes that deal with the central concepts in the Christian understanding of malum as privation a lack of good as evil doing and as a lack of faith In doing so he provides a detailed discussion of theories of theodicy the argument from freedom and the religious turn to God in which the author explores the traces of the discovery of God's goodness justness and love in connection with the malum experiences in ancient mythology and biblical traditions

Ernest DeWitt Burton,1912 **The Life of Christ** Ernest De Witt Burton,Shailer Mathews,1912 The Coming of the Millennium Darrell J. Fasching,2001-01-15 Throughout the last two millennia Christianity understood its divinely mandated mission to be to conquer the world for Christ Too often this proclamation led Christians to imagine that their goal must be the elimination of all non Christians from the world through conversion or when that fails through coercion and violence e g the Inquisition the Crusades anti Semitic persecution Western colonialism etc At the beginning of the third millennium and an age of global diversity Darrell J Fasching argues that it is time for Christians to reject this view of their mission along with the trail of prejudice and violence it has created and replace militaristic metaphors of conquest with the biblical message of hospitality to the stranger When we welcome the stranger according to biblical teachings we welcome God Genesis 18 1 5 the Messiah Matthew 25 35 or an angel of God Hebrews 13 2 Fasching takes us on a journey through the stories of the Bible to show that diversity is God s covenant intention for humanity Consequently the mission of Christians must not be to convert or eliminate non Christians but rather to welcome them as strangers for a world without strangers is a world without God

Brandon K. McKoy,2013-09-13 Brandon McKoy mines social construction theory to redirect our youth ministries from a focus on forming and protecting the private faith lives of students to cultivating an awareness of Christ in our midst in the overlapping relationships stories and spheres of life that make us who we are **Five Minutes to Eternity** Jon Smith,2021-04-23 Surely there was a village nearby Stop Without warning three armed men suddenly appeared in front of the two young Lifestory Tellers Who are you and what are you doing here We are teachers sir Asgat replied humbly but clearly We don t want any teachers Go away or we will kill you Wait Asgat said If you have children we have a story for them What kind of story A beautiful story about God All was quiet as the elders stared at the young men You may come to our school and tell the children the story but then you must leave immediately after Asgat and Alifaz smiled and gave a customary greeting Soon many households in this village had heard about Jesus for the first time and said yes to following Him God did several miracles that day in that large village But how did the gospel get to this remote part of the Himalayas Jerri and I had spent years praying fasting and struggling to share God s love with the people group to whom we had been

sent But we were only seeing a few come to faith each month and they weren't winning others Finally the Lord had mercy and showed us how the gospel could multiply in our field just as it did in the book of Acts *No One Left Behind* Darrell J. Fasching, 2011-07-15 1 You have heard it said that on the day of judgment only Christians will be saved and all others will be consigned to eternal damnation but I say to you that the gospel proclaims salvation for the whole human race 2 You have heard it said that non Christians are strangers who will not enter the Kingdom of God but I say to you that God enters our lives through the very presence of the stranger 3 You have heard it said that heretics and sinners will have no place in the Kingdom of God but I say to you that to reject even the least of these is to reject God and God's messiah 4 You have heard it said that human beings can be saved in no other name than that of Jesus but I say to you that the name Jesus means we are saved in the name of a God who cannot be named or imaged 5 You have heard it said that only a chosen remnant can be saved but I say to you that a saving remnant saves not itself but the whole human race of which it is a part 6 You have heard it said that in the final judgment many will be consigned to the eternal fires but I say to you God's judgment is a refining fire which transforms and saves rather than destroys The final truth is that our God is the savior of the whole human race and especially all believers 1 Timothy 4:10 *Elijah Prophet of Carmel* Jane Ackerman, 2018-07-18 For Carmelites Elijah is considered their legendary founder and patron This study explores Elijah in Scripture legend and Carmelite documents Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation Elijah is considered their legendary founder and traditional patron Carmelites rank him as one of their greatest spiritual models Their coat of arms displays his flaming sword Mount Carmel and Elijah's proclamation With zeal I have been zealous for the Lord God of Hosts This book inquires into this deep appreciation It examines the linkage between the Order and the prophet over time More Information Beginning with the oldest knowledge we have about Elijah coming from Scripture *Elijah Prophet of Carmel* briefly sketches his role in the three faiths of Judaism Christianity and Islam It then turns to what the distant but influential Christian antecedents of the Carmelite Order the desert hermits and the early Fathers wrote about the zealous man of God As the Carmelite Order was founded achieved its corporate identity and changed over time so did its views of its legendary model Interaction between storytelling about Elijah and Carmelites' understanding of themselves continues even to the present As thoughts from the past about the prophet continue to influence them both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him the tradition of Elijah's double charism [THE LIFE AND TIME OF JESUS THE MESSIAH](#) Alfred Edersheim, 2025-08-06 Step into the world where Jesus walked taught healed and redeemed In this unparalleled annotated edition of *The Life and Times of Jesus the Messiah* Alfred Edersheim offers readers a richly detailed and historically grounded portrait of Jesus' earthly ministry firmly anchored in first century Jewish culture Scripture and customs Edersheim a Jewish

convert to Christianity and one of the 19th century's foremost biblical scholars brings together a lifetime of rabbinic study, classical learning and deep Christian conviction. Across five sweeping books and numerous appendices he guides readers through the Jewish world of the Second Temple period, the rise of Rabbinic traditionalism, the influence of Hellenism and the unfolding events from Bethlehem to Golgotha and beyond to the resurrection and ascension. This new annotated edition corrects and clarifies references, updates historical data and makes Edersheim's monumental scholarship more accessible than ever without altering his original intent or voice. Through careful use of Scripture, Talmudic sources, archaeology and historical context, Edersheim explains not only what Jesus did but why He did it, revealing how every word and action fulfilled the Law and Prophets. For pastors, teachers, seminarians and serious students of Scripture, this volume is more than a historical study; it is a spiritual journey into the heart of the Gospels, seen through the eyes of one who deeply loved the Messiah and sought to make Him known.
