Whales and Nations Kurkpatrick Dorsey,2014-02-01 Before commercial whaling was outlawed in the 1980s diplomats scientists bureaucrats environmentalists and sometimes even whalers themselves had attempted to create an international regulatory framework that would allow for a sustainable whaling industry In Whales and Nations Kurkpatrick Dorsey tells the story of the international negotiation scientific research and industrial development behind these efforts and their ultimate failure Whales and Nations begins in the early twentieth century when new technology revived the fading whaling industry and made whale hunting possible on an unprecedented scale By the 1920s declining whale populations prompted efforts to develop rational what today would be called sustainable whaling practices But even though almost everyone involved with commercial whaling knew that the industry was on an unsustainable path Dorsey argues powerful economic political and scientific forces made failure nearly inevitable Based on a deep engagement with diplomatic history Whales and Nations

provides a unique perspective on the challenges facing international conservation projects This history has profound implications for today's pressing questions of global environmental cooperation and sustainability Watch the trailer <http://www.youtube.com/watch?v=3QsLlM5KTx0>

The Forgotten Terrorist Mel Ayton, 2019-05 Robert F Kennedy's assassination in 1968 seems like it should be an open and shut case Many people crowded in the small room at Los Angeles's famed Ambassador Hotel that fateful night saw Sirhan Sirhan pull the trigger Sirhan was also convicted of the crime and still languishes in jail with a life sentence However conspiracy theorists have jumped on inconsistencies in the eyewitness testimony and alleged anomalies in the forensic evidence to suggest that Sirhan was only one shooter in a larger conspiracy a patsy for the real killers or even a hypnotized assassin who did not know what he was doing a popular plot in Cold War era fiction such as *The Manchurian Candidate* Mel Ayton profiles Sirhan and presents a wealth of evidence about his fanatical Palestinian nationalism and his hatred for RFK that motivated the killing Ayton unearths neglected eyewitness accounts and overlooked forensic evidence and examines Sirhan's extensive personal notebooks He revisits the trial proceedings and convincingly shows Sirhan was in fact the lone assassin whose politically motivated act was a forerunner of present day terrorism *The Forgotten Terrorist* is the definitive book on the assassination that rocked the nation during the turbulent summer of 1968 This second edition features a new afterword containing interviews and new evidence as well as a new examination of the RFK assassination acoustics evidence by technical analyst Michael O Dell

American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In *American Legacy* 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John's and Caroline's childhood in the White House the dark aftermath of their father's assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John's and Caroline's loving but at times trying relationship with their larger than life mother as well as Jackie's own emotional struggles romantic relationships and financial concerns following JFK's death Other revelations brought to light for the first time in *American Legacy* include the assassination attempt made on Jackie just before she gave birth to John JFK Jr's romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and

John De Vito, Frank Tropea, 2010-03-08 To paraphrase silent movie queen Norma Desmond in Billy Wilder's classic 1950 film Sunset Boulevard The epic miniseries are big It's television that got small This is especially true when one compares such iconic epic miniseries as Rich Man Poor Man 1976 Roots 1977 Holocaust 1978 Shogun 1980 The Winds of War 1983 War and Remembrance 1988-89 and Angels in America 2003 to today's ordinary television programming This work traces the historical trajectory of the epic miniseries and delves into the character archetypes and themes that recur in the genre giving close critical attention to more than 40 miniseries A filmography is included **Modern Greece** Elaine
