**Perspectives on Prayer and Spirituality** Maurice

Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G. K. Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title Perspectives on Prayer and Spirituality alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known

**Christian Spiritual Formation** Diane J. Chandler, 2014-04-04 This

comprehensive theory and practice of Christian spiritual formation weaves together biblical and theological foundations with interdisciplinary scholarship real world examples personal vignettes and practical tools to assist readers in becoming whole persons in relationship with God and others

**Living God's Word, Second Edition** J. Scott Duvall, J. Daniel

Hays, 2021-06-01 Living God's Word is your pathway to read the Bible as it was meant to be read as God's Great Story Many

Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole. They encounter various passages each week through unrelated readings, studies, and sermons, and it all feels disconnected. But once they see the Bible as God's Great Story, they begin to understand how it all fits together and they start to see how their own lives fit into what God has done and is doing in the world. In *Living God's Word*, Second Edition, New Testament scholar J. Scott Duvall and Old Testament expert J. Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible, thus enabling them to live faithfully in deep and important ways. *Living God's Word* explores the entire Bible through broad themes that trace the progression of God's redemptive plan. Each section deals with a certain portion of Scripture's story and includes Reading, listening, preparation, Explanation, Summary, Observations about theological significance, Connections to the Great Story, Written assignments for further study. These features combined with the authors' engaging style make *Living God's Word* an ideal book for those who want to understand the Bible better for introductory college courses, Sunday school electives, or small group study. Readers can further enhance their learning experience with the *Living God's Word WORKBOOK*, sold separately, which contains additional questions and exercises to help them reflect on what they are reading in *Living God's Word*. **Breathe Easy** Brynn Sauer, 2020-10-07. The New Testament portrays the Christian life as one of resilient joy, overwhelming grace, and abundant love. Yet if we look around, many Christians are riddled with constant fear, heavy burdens, and excessive self-criticism. What happened? *Breathe Easy* intertwines personal stories, scientific research, and biblical evidence behind resting in who God is and what He has done. Supported by Brynn Sauer's own journey, this book will show you that God desires for you to let go of the worry, stress, and pressure and start breathing easy.

**The Ruthless Elimination of Hurry** John Mark Comer, 2019-10-29. ECPA BESTSELLER. A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life from the New York Times bestselling author of *Practicing the Way*. Prophetic, practical, and profoundly life-giving, it provides a way forward that creates hope, hunger, and a vision of a beautiful life. I consider this required reading. Jon Tyson, lead pastor of the Church of the City, New York, and author of *Beautiful Resistance*. Who am I becoming? That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren't pretty. So he turned to a trusted mentor for guidance and heard these words: Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life. It wasn't the response he expected, but it was, and continues to be, the answer he needs. Too often, we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry or busyness as a root of much evil. The perfect read to help you start the new year off right. *The Ruthless Elimination of Hurry* is a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world. Sojourners and Strangers Gregg R. Allison, 2012-11-30. What is a church? This can be a difficult question to answer, and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God.

capturing a full picture of the biblical church He covers the topics of the church's identity and characteristics its growth through purity unity and discipline its offices and leadership structures its ordinances of baptism and the Lord's Supper and its ministries Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise practical application Part of the Foundations of Evangelical Theology series      *Stewarding Our Bodies* Perry L. Glanzer, Austin T. Smith, 2023-06-05 Most college students struggle tremendously with their bodies Numerous issues related to the body plague higher education Students struggle with sleep mental health eating disorders sexual identity questions clothing choices obesity and alcohol problems among other concerns Too often Christian colleges try to meet these challenges with rules instead of setting forth a vision of what it means to steward the body a precious gift from God that has been bought with a price by Christ Students faculty and staff at faith based institutions need a theological framework and biblical wisdom by which they can better understand nurture and celebrate life in all its fullness *Stewarding Our Bodies* draws from the expertise and experiences of researchers and practitioners both within and outside higher education to provide relevant insights and suggestions for those who desire to help students better bear God's image Most important of all it sets forth a positive vision by which to understand the precious gift God has entrusted to us our bodies      *Wisdom From the Margins* William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price      **Beautiful Resistance** Jon Tyson, 2020-07-21 In a time of compromise and disillusionment God is calling his people to a movement of beautiful resistance We live in a time when our culture is becoming increasingly shallow coarse and empty Radical shifts in the areas of sexuality ethics technology secular ideologies and religion have caused the once familiar landscape of a generation ago to be virtually unrecognizable Yet rather than shine as a beacon of light the church often is silent or accommodating This isn't a new phenomenon During World War II pastor and theologian Dietrich Bonhoeffer was deeply troubled by the compromise in the German church Their capitulation to the Nazi party brought shame and dishonor to the gospel In response he helped create an underground movement of churches that trained disciples and ultimately sought to renew the church and culture of the day In our compromised church we need new underground movements of discipleship and resistance Widely respected New York pastor

Jon Tyson unveils a revived vision for faithful discipleship one that dares to renew culture restore credibility and replace compromise with conviction For all who have felt this conflict in the soul between who we are and who God calls us to be Beautiful Resistance is a bold invitation to reclaim what s been lost regardless of the cost Praise for Beautiful Resistance Beautiful Resistance is one of the most compelling and defiant books I ve read in a long time I love Jon s radical no messing vision of the church as a prophetic community This is a wake up call for us all from the heart of a man who lives his message loves his city and serves his Lord with a passion and intelligence destined to become less rare Pete Greig founder of the 24 7 Prayer movement     **Knowing Grace** Joanne J. Jung,2012-01-05 Knowing Grace complements the spiritual discipline writings out there by looking at the disciplines through a grace filter the key dimension to discipline empowerment
