Horatius Bonar,2015-03-02 The Revelation of Jesus Christ The Book Of The Last Days is Is one biblical commentary of the The Book of Revelation A faithful study the Scriptures written by Horatius Bonar 1808 1889 The Revelation of Jesus Christ which God gave unto Him to show unto His servants things which must shortly come to pass and He sent and signified it by His angel unto His servant John who bore record of the Word of God and of the testimony of Jesus Christ and of all things that he saw Blessed is he who reads and those who hear the words of this prophecy and keep those things which are written therein for the time is at hand Revelation 1 1 3     **For Preachers and Other Human Beings** B. E. White, Jr.,2016-12-27

The columns in this book are reprinted from the Biblical Recorder the North Carolina Baptist state paper Editor R G Puckett saw a reason for them to be published because of the urgent need to strengthen pastors and churches in their relationship to each other He wrote that the articles are projected more for the laypersons than for the minister I think that they will be helpful in understanding the role relationship and rigors of the minister s life Some of them will be informational Others will be almost devotional And some many even be downright funny We all need to remember that ministers are people too

Vickie'S Story John Sherman,2017-12-07 Introduction I still remember the first time I heard about Vickies stroke My husband and I were on a mission trip in Florida working with an international Bible translation team Emails began to pop up on my computer screen with fragmentary pieces of information from home Vickies dogs had been viciously attacked by neighborhood dogs and were in emergency surgery Vickie asked us to pray for the recovery of her precious pets Then the news got dramatically unbelievably worse Vickie herself had had a major stroke and the prognosis was not good recovery uncertain Information was suddenly sparse from the hospital as John and we my husband and I waited for the medical tests and for time to give us some idea of what was ahead for Vickie It had been only the previous Sunday that John and Vickie had done another of their beautiful choral duets at our home church It was less than six months since we had celebrated with John and Vickie at their wedding and reception Vickie was too young to have a stroke John and Vickie had just begun a new life together after suffering through broken relationships in both of their pasts How could God allow such a thing to happen

to such a couple As I worked on the sermon I was to deliver back home the next Sunday projected to be on the joy of the Lord I was seized with doubts Could I proclaim this joy with such a heavy heart Could the congregation receive the promise of joy as we wept and waited and prayed It was John Shermans blog that showed us the way He began to chronicle the medical emotional and spiritual struggles that Vickie and he were experiencing beginning that very first day He drew on his deep knowledge of the scriptures As time passed and events unfolded John listened and considered and reflected on the painful times and the hopeful times the frustrations with medical and insurance problems as well as the unexpected joys of love and service received from friends and hospital staff His words and Vickies indomitable spirit through very difficult circumstances drew an ever increasing Facebook audience with dozens of people near and far uplifted and encouraged by their endurance and trust in the Lord Johns eloquence in expressing all of these realities was something seldom seen on social media something that seemed truly inspired by the Holy Spirit I recommend John and Vickies story for your reading If youre dealing with a similar medical issue youll find it informative as well as encouraging If youre just trying to live a joyful and victorious life youll be uplifted and inspired by one couples overcoming journey toward recovery and restoration My favorite text about joy comes from Nehemiah 8 10 Do not grieve for the joy of the Lord is your strength At the time this was written the city of Jerusalem was in ruins and enemies were encircling and numerous Nehemiah helped the people understand that when times were tough those were the times they needed joy the most John and Vickies story is ultimately a story of finding sustaining strength through experiencing the joy of the Lords promises and presence Thats a message all of us need to hear In Christ Rev Marie B Allen Congregational Life and Discipleship Pastor New Town United Methodist Church Williamsburg Virginia Friends I know many of you are asleep now Vickie has had a stroke and has no feeling or movement in her left side As her doctor said this is a life changing episode but I am praying for his light and glory to shine even in a dark moment Thank you all for your continued prayers and support as we navigate through this present uncertainty As I learn more I promise to update you with what I know My apologies Facebook cant convey these thoughts with all that is filling my heart now God bless you John

**Tidings of Comfort and Joy** Cheryl Berger, 2013-10 Tis the season to be jolly but not always Some holiday hearts are a stark contradiction to the merriment the season brings What began in 1991 as Cheryl Berger s personal gift to family and friends has grown into the collection you now hold in your hands These inspirational writings have been included in her family s annual Christmas cards with the hope of bringing the recipients a little holiday cheer Tidings of Comfort and Joy contains more than just seasonal entries however Some have to do with situations circumstances as well as the unexpected experienced in everyday life Bible verses have been woven like a scarlet thread throughout each piece Some pieces are personal and some were written for others All were written with the purpose of encouraging hearts with the hope found in Christ Realizing the Lord speaks to her heart through her writing many hours have been spent seeking God for a word in due season With a heart for hurting women Cheryl uses words to minister hope and peace to wounded and broken

hearts If you listen carefully you can hear songs of hope flowing throughout each piece It is her prayer that the Lord will use the imagery penned in this collection to fill your heart with tidings of comfort and joy     What Are We to Do? David Yount,2002 Although the Sermon on the Mount is admired by Christians and non Christians alike it is widely ignored in practice Jesus Beatitudes are seen as optional guidelines applicable to saints but too strenuous for ordinary believers who find it hard enough to follow the Ten Commandments In accessible and entertaining prose Yount explores the essential messages of the Sermon in an effort to help modern believers answer the popular question What would Jesus do by helping the reader understand what he did do and teach Questions at the end of each chapter make the book ideal for individual reflection and group study     **The Light Has Come** Lesslie Newbigin,1982 Respected missiologist Lesslie Newbigin s commentary on John is unique both in its power to prepare pastors and teachers to declare the Word of God to others and in its ability to communicate John s message to contemporary readers     *Jesus* William G. Johnsson,2007 Because of grace good things happen even in the midst of a bad world To the casual observer it may look like chance or luck But to the person who knows Jesus its undeniable that this undeserved goodness is nothing else but His grace When Jesus walked on earth He brought grace into every encounter to every person Even now all around us God is working out beautiful grace stories Open the pages of this devotional book for a daily encounter with Jesus and His surprising endless life changing grace     *God's Flowing Grace* Elinor L. Woods,2012-02-21 This book is a very helpful book for outlines lessons and messages It is also good for inspiration It is used primarily in teaching classes for children such as Bible School Christian Education Sunday School Home Bible Study Spiritual Growth A child will understand that it is easy to read and apply these lessons to her or his everyday life A child is never too young or too old to grow spiritually and have a relationship with Christ     **God, I'm Listening** Marguerite B. White,2019-07-17 It was only a few years ago when God shed his light on me and anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me The grace of God bestowed on me the special gift that was given It burns in my soul and lets the words flow on the paper it was written May I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me to see the mighty hand of God the creator of all things who used a humble servant and made her a child of the king     The poetry of South Africa, collected and arranged by A. Wilmot Alexander Wilmot,1887     The Poetry of South Africa Alexander Wilmot,1887     **Simple Things in Life** ,     *Seeing the Light* Samuel Schuman,2010-01-18 Samuel Schuman examines the place of religious colleges and universities particularly evangelical Protestant institutions in contemporary American higher education Many faith based schools are flourishing They have rigorous academic standards impressive student recruitment ambitious philanthropic goals and well maintained campuses and facilities Yet much of the U S higher education community ignores them or accords them little respect Seeing the Light considers instead what can be learned from the viability of these institutions The book begins with a history of post

secondary U S education from the perspective of the religious traditions from which it arose After focusing briefly on nonevangelical institutions Schuman next looks at three Roman Catholic institutions the College of New Rochelle Villanova University and Thomas Aquinas College He then profiles evangelical colleges and universities in detail discovering the factors contributing to their success These institutions range from nationally recognized to little known from rich to poor with both highly selective and open admission requirements Interviews with key administrators faculty and students reveal the challenges the successes and the goals of these institutions Schuman concludes that these schools Baylor University Anderson University New Saint Andrews College Calvin College North Park University George Fox University Westmont College Oral Roberts University Northwestern College and Wheaton College and others like them offer important and timely lessons for the broader higher education community
