The Light That Was Dark A Spiritual Journey:

The Light That Was Dark Warren B. Smith (Social worker), 1992 The Light That Was Dark is a sober warning to the world and to the Church Author Warren Smith learned some hard lessons as a spiritual seeker Smith's spiritual trek took him deep into the California subculture of alternative New Age spirituality He was led to various New Age teachers and teachings that seemed to promise new wonders and a deeper sense of spiritual fulfillment to satisfy his ever intensifying spiritual yearnings Just as everything seems to be coming together for Smith several unexpected jolts and twists occur in his life Concerned that today's Church is being seduced by the same false teachings and same false Christ that drew him into the New Age Smith shares his story The Holy Ordinary Mark Longhurst, 2024-10-22 Locates mysticism as the essential experiential center of any Christian faith Herein lies support for your deepest self Mark illuminates for you that in the ordinary aspects of life there is an extraordinary way to live Drink from these reflections and prepare to be awakened and transformed Phileena Nikole author of Pilgrimage of a Soul The Holy Ordinary takes its inspiration from mystics modern prophets and saints with surprising insights from Christian scriptures Mysticism is a stream of the experiential flowing from the hearts of those who knew and know God explains Mark Longhurst demonstrating the availability to every person of a mystical life Through topics such as How to be contemplative and active and Live green like Hildegard of Bingen Longhurst speaks to each person's need for transformation This book is both profound and practical a reflective guide for anyone Nones Dones former Christians and Christians open to learning from people of all backgrounds seeking a vibrant just and inclusive spirituality For years I've been wishing for a book that could introduce ordinary people to the spiritual life in a healthy honest accessible way Mark Longhurst has written what I've been waiting for Brian D McLaren author of Faith After Doubt

Opening to Darkness Zenju Earthlyn Manuel, 2023-03-21 In darkness we become devoted to clarity courage peace and harmony We discover the basic goodness of all humanity when we experience darkness together Zenju Earthlyn Manuel writes Life itself is a dark experience a magical experience When you hear the word darkness what does it make you feel horror danger or maybe despair We've been conditioned to fear and avoid darkness and blackness yet Zenju Earthlyn Manuel challenges us to consider What if we chose to go deeper into darkness instead of running from it What might we find there beyond our longing for light Drawing on the ancient wisdom found in Zen Buddhism and African and Native American indigenous traditions Osho Zenju reveals how a change in perspective and increased wisdom can help us awaken to the sacredness of dark experiences in our lives so we may experience a reality beyond avoidance and fear Opening to Darkness will take you on a courageous journey into the mandala of darkness a symbolic expression of your inner world where you will travel through eight gateways that are inspired by Buddha's Eightfold Path Along your way you will meet dark mothers from India Nigeria Japan Haiti and Dahomey who both protect and destroy Osho Zenju provides reflective inquiry blessings and meditations as you navigate your way through the vast depths of the unseen It is through this spiritual pilgrimage that we

learn how to Experience the wonders of life that can flourish only in the dark Discover a collective doorway to healing and deep transformation Awaken to the illusory nature of light versus dark Illuminate false perceptions and beliefs of darkness Heal the fear and anxiety around darkness and blackness Wrapped in gorgeous lyrical prose Osho Zenju s offerings provide deep soul relief and collective strength to embrace the dark so we may reunite with the sacred process of darkness that flows through the canvas of our lives *Seeking union with spirit* Fiona Gardner,2020-07-08 Although originally daunted at being asked to present the 2020 James Backhouse Lecture to Australian Friends Fiona Gardner came to find that the opportunity encouraged her to reflect more deeply on her own journey and what might usefully be shared with others For over twenty years Fiona has participated in facilitating the Meeting for Learning a year long program for spiritual nurture designed to explore Spirit and Quaker ways and lives with her partner in a small intentional community that has been a place of spiritual nurture and learning She has worked as a social worker for many years and now as a university teacher particularly in fostering critical reflection and spirituality for social workers and critical spirituality for pastoral care workers A continuing challenge in her spiritual life has been how to integrate her spiritual being in all of these aspects of her life Why seek to live life in union with Spirit Such a life in my experience and that of many others is a fuller richer meaning filled and deeper life connected to that which is eternal It means moving from what is often called the divided life beyond opposing forces to a place of wholeness to integrating all of who we are in all that we do To do this means holding together these opposites

Praying with Every Heart Claudio Carvalhaes,2021-08-26 This book develops an understanding of prayer from a liberation theological perspective Praying with offers a distinctive way of praying that can help orient our prayers around the where we pray and with whom we pray as the locus of the body s and heart s theological praxis The book helps create language to pray with people and in situations we are not used to praying with it insists on praying amidst racism poverty violence and suffering it calls us to pray at night and at the end of the world when we are overcome by fear hurt climate disaster or economic impoverishment it ventures into interfaith prayer settings and it claims a sense of self that is not discrete encapsulated in its own thinking or feeling rather it understands the notion of the self as entangled with the whole earth and each sentient and nonsentient being Thus to pray with in this book is to take the location of one s prayer more seriously and individually and collectively to gain an awareness of our grounding and positionality therefore creating a theological structure that assumes both the listening of our own heart and the voices of everything around us
