The Lights Of Christmas Twinkle Lights:

The Tortured Smile Jeffrey C. Armstrong, 2011-02 As children many of us have had dreams and aspirations of what we hoped to achieve in our future But for some of us we only hoped that our tortured lives are nothing but a mere dream However for Kelly Anderson this hope is too much to ask because her nightmares are indeed real As long as she can remember Kelly had been surrounded by violence and dysfunction Having a mother who was emotionally unavailable and a father who was a violent alcoholic it is no wonder Kelly felt abandoned and alone the first time she was raped But Kelly would soon learn that her only escape from her torture is by death This is the true story based on actual events of a child s struggle to cope with the pain and confusion of physical and sexual abuse In this disturbing story you will experience life through the eyes of the victims as well as the victimizers You will follow Kelly s quest to find love freedom and serenity amid so much turmoil You will feel Kelly s pain and understand what really lies beneath **THE TORTURED SMILE** *Ruby Ann's Down*

The Lights We Kept Dianna Aubin, 2025-07-24 In the heart of a long unrelenting winter five coworkers Curtis Riley Steve Marcy and their calm anchor Nina begin gathering after hours at a small apartment lit by an old angel figurine and a tangled strand of lights What starts as a quiet escape from the season s weight turns into something deeper a lifeline woven from shared silence soft laughter and the unspoken understanding of lives heavy with grief change and responsibility Each carries something they can t shake alone Curtis still shadowed by the absence of his sister finds purpose in a small act of service that grows beyond what he imagined Riley long caught between her divorced parents learns to stand on her own terms Steve a single father worn thin by exhaustion begins to trust that his children and he himself can find steadiness again Marcy estranged from her mother and tethered to unopened letters from her late father faces the past she s avoided for years And Nina the quiet center of their orbit helps each of them hold their weight without ever demanding the spotlight herself Through nights of tea and cocoa murmured confessions and moments of soft laughter they find a warmth that winter and the struggles it carried can t extinguish As the season finally yields to spring each of them must step back into their separate lives But the light they ve kept alive together the quiet bond that softened the cold becomes something they ll carry forward a reminder that the warmth we build together can outlast even the longest winters **Searching for the Light H.**
