Batalden, 2013-03-14 This first comprehensive history of the Russian Bible demonstrates how scriptural translation exposed serious divisions in modern Russian religious culture      **Critical Companion to the Russian Revolution, 1914-1921** Edward Acton, V. I. Cherniiaev, V. I. Cherniiaev, William G. Rosenberg, 1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted by Book News Inc Portland OR      [Leaders of Russia and the Soviet Union](#) John Paxton, 2013-08-21 This reference work surveys the leaders of Russia and the Soviet Union from Michael the first Romanov tsar in 1613 through the creation and dissolution of the Soviet Union to the present day President of the Russian Federation Vladimir Putin Chronologically arranged these biographies paint a thorough yet succinct portrait of 30 leaders including discussion about the family and education of each ruler important legislation events and wars under each leader s rule and each leader s achievements and impact on Russia or the Soviet Union      **Russia's Sakhalin Penal Colony, 1849-1917** Andrew A. Gentes, 2021-07-29 This book provides a comprehensive history of the genesis existence and demise of Imperial Russia s largest penal colony made famous by Chekhov in a book written following his visit there in 1890 Based on extensive original research in archival documents published reports and memoirs the book is also a social history of the late imperial bureaucracy and of the subaltern society of criminals and exiles an examination of the tsarist state s failed efforts at reform an exploration of Russian imperialism in East Asia and Russia s acquisition of Sakhalin Island in the face of competition from Japan and an anthropological and literary study of the Sakhalin landscape and its

associated values and ideologies The Sakhalin penal colony became one of the largest penal colonies in history The book's conclusion prompts important questions about contemporary prisons and their relationship to state and society

**Storming the Heavens** Daniel Peris, 1998 A member of the first generation of scholars allowed access to formerly closed Soviet archives Daniel Peris offers a new perspective on the Bolshevik regime's antireligious policy from 1917 until 1941 He focuses on the activities of the League of the Militant Godless the organization founded by the regime in 1925 to spearhead its efforts to promote atheism and he presents the League's propaganda activities and personnel at both the central and the provincial levels On the basis of his research in archives in rural Pskov and industrial Iaroslavl as well as in the central party and state archives in Moscow Peris emphasizes the transformation of the ideological agenda formulated in Moscow as it moved to its intended audience Storming the Heavens places the League within the broader context of a Bolshevik political culture that often acted at cross purposes to undermine the regime's stated goals The League's lack of success argues Peris reflects the bureaucratic orientation of Bolshevik political culture particularly in how it pursued the radical social vision of 1917 His book provides a framework for understanding secularization in revolutionary contexts as well as contributing to the on going reassessments of the Bolshevik era

Medicine in the Remote and Rural North, 1800-2000 J T H Connor, Stephen Curtis, 2015-10-06 This volume of thirteen essays focuses on the health and treatment of the peoples of northern Europe and North America over the course of the nineteenth and twentieth centuries

**Russian Peasant Schools** Ben Eklof, 2023-12-22 This pioneering study of primary schools in the Russian countryside during the late tsarist period examines the contribution of education to the transition to modernity The author links social institutional and cultural history thus providing a multi dimensional description of the village response to pressures of the modern world This pioneering study of primary schools in the Russian countryside during the late tsarist period examines the contribution of education to the transition to modernity The author links social institutional and cultural history thus providing a multi d

Industrial Power and the Soviet State Stephen Whitefield, 1993 This book analyses the relationship between economic power and political authority in the Soviet system In it Stephen Whitefield takes issue with those who think that communist politicians successfully dominated the economy and society He argues on the contrary that politicians efforts to build authority in the industrial sector were a key source of political instability and that perestroika was the last in a series of failed attempts by Soviet leaders to gain control of the behaviour of the institutions they themselves had created In an administered economy industrial organization is vitally important in structuring the interests and behaviour of social groups The dilemma for Soviet politicians was that their attempts to build authority over industrial actors destabilized society and ultimately resulted in the collapse of the Soviet state itself But industrial power has outlived the Soviet Union and this book concludes by showing how industry continues to exert a crucial influence on Russian government and society

**The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689

to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people

*The Russian Nobility in the Age of Alexander I* Patrick O'Meara,2019-05-30 The reign of Alexander I was a pivotal moment in the construction of Russia's national mythology This work examines this crucial period focusing on the place of the Russian nobility in relation to their ruler and the accompanying debate between reform and the status quo between a Russia old and new and between different visions of what Russia could become Drawing on extensive archival research and placing a long neglected emphasis on this aspect of Alexander I's reign this book is an important work for students and scholars of imperial Russia as well as the wider Napoleonic and post Napoleonic period in Europe     On the Religious Frontier Firouzeh Mostashari,2017-05-30 Modern Russia's turbulent relations with its Muslim frontiers date back centuries Indeed the nineteenth century when the Muslim Caucasus first came under Russian rule witnessed many of the historical antecedents to today's violent confrontations With this in mind *On The Religious Frontier* examines the history of Muslim Azerbaijan under Christian Orthodox Russian imperial rule and the attempts of the Russian administrators of the Caucasus to integrate the region into the empire Drawing on original archival research from across Azerbaijan and Russia Firouzeh Mostashari considers the formation of a Russian colonial administration in the Muslim Caucasus subsequent social political and economic developments and the local responses to conquest military rule and Russification From 1804 to the Bolshevik Revolution of 1917 *On The Religious Frontier* offers a fascinating and timely insight into both the period itself and the ways in which the seeds of recent conflict were sown in tsarist Russia This is important reading for all scholars of the history and politics of the Caucasus as well as those with an interest in imperial Russia and its relationship with minority groups     The Tsarist Secret Police and Russian Society, 1880-1917 Fredric S. Zuckerman,1996-05 Karakozov in 1866 Russian political life became trapped within a vicious circle of political reaction growing disillusionment with the government and intensifying political dissent that increasingly manifested itself in acts of terrorism against Tsarist officials     *Innovative Leaders in International Politics* Gabriel Sheffer,1993-09-14 In today's world national leaders have immense power to make decisions affecting millions of lives both domestically and internationally Yet questions about the performance of these leaders and specifically what psychological or external factors determine whether they will be innovative and effective or will muddle through have received surprisingly little attention An introductory section presents main themes in the study of innovative leadership and in addition reviews the existing inadequate state of our knowledge The two subsequent sections further explore the basic questions through case studies of leaders in democratic systems and in transitional or authoritarian systems By looking at the individual records of such major twentieth century leaders as De Gaulle Adenauer Gandhi Gorbachev Sadat and several American presidents the authors contribute fresh insights about the particular leaders consider how the type of system in which they functioned enhanced or constrained their innovativeness and shed light on the broader

questions of what factors encourage or inhibit successful innovation in the international sphere

**Executive Power and Soviet Politics** Eugene Huskey, 2016-06-16 Ever since the behavioral revolution reached Communist studies more than 2 decades ago Western scholarship has tended to ignore the powerful and unwieldy institutional structure of the Soviet government Today suddenly it is clear that the dramatic political and legislative reforms of the Gorbachev years will remain incomplete as long as the issues of state bureaucratic power and executive prerogative are unresolved This volume brings together original studies of the Soviet executive under Gorbachev by specialists including Barbara Chotiner Stephen Fortescue Brnda Horrigan Ellen Jones Wayne Limberg T H Rigby and Louise Shelley Among the topics covered are the major economic national security and law enforcement ministries the presidency the cabinet and questions of presidential ministerial presidential legislative executive and party state relations

**United Government and Foreign Policy in Russia, 1900-1914** David MacLaren McDonald, 1992 In 1904 a small distant war brought Russia to the brink of internal collapse and yet within ten years the country embroiled itself in an incomparably larger conflict close to home How the war with Japan and its aftermath actually steered Russia toward such an unlikely fateful decision is the subject of David McDonald's book an analysis of Russian foreign policy on the eve of World War I

Russia Gregory L. Freeze, 2009 The history of Russia from Kievan Rus to Vladimir Putin Russia A History cuts through the myths and mystery that have surrounded Russia from its earliest days with startling revelations from classified archives that until comparatively recently were not even known to exist A distinguished team of historians has stripped away the propaganda and preconceptions of the past to tell the definitive story of Russia from tenth century Kiev and Muscovy through empire and revolution to the fall of Communism and the new order of the 1990s and early 21st century A compelling story in its own right it is essential reading for anyone with an interest in Russia and its place in the world This updated edition now covers the developments in the Putin era in the first decade of the 21st century

**Imagining Russian Regions** Susan Smith-Peter, 2017-10-02 In Imagining Russian Regions Subnational Identity and Civil Society in Nineteenth Century Russia Susan Smith Peter shows how ideas of civil society encouraged the growth of subnational identity in Russia before 1861 Adam Smith and G W F Hegel's ideas of civil society influenced Russians and the resulting plans to stimulate the growth of civil society also formed subnational identities It challenges the view of the provinces as empty space held by Nikolai Gogol who rejected the new non noble provincial identity and welcomed a noble only district identity By 1861 these non noble and noble publics would come together to form a multi estate provincial civil society whose promise was not fulfilled due to the decision of the government to keep the peasant estate institutionally separate
