Spheres of Action Alexander Dick, Angela Esterhammer, 2009-02-21 With contributions from leading Romanticist scholars who draw on literary history performance studies philosophy linguistics and anthropology *Spheres of Action* examines the significant intersections between language and performance during the Romantic period These essays consider cultural phenomena such as elocution and political oratory newspaper journalism public mourning the function of gesture and clothing in theatre even a long distance walking contest They examine the problematic relationships among action agency and language in a variety of cultural institutions and media from the era Exploring aspects of public speaking and body language these essays propose that understanding the culture and institutions of the Romantic period requires nuanced approaches to performance and agency The collection also studies the ways in which the Romantics discovered both the potency and limitations of performativity Presenting a boldly multifaceted portrait of Romantic culture *Spheres of Action* is essential reading for Romanticists historians and scholars with interests in language and performance

Trends in Leisure, 1919-1939 Alun Howkins, John Lowerson, 1979 Sports around the World John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports *Sports Around the World History Culture and Practice* provides a unique global overview of sports and sports cultures Unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world regions for example Latin America and the Caribbean the Middle East and North Africa Europe and Oceania in order to provide a more global perspective These essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies Spanning topics as varied as modern professional cycling to the fictional movie *Rocky* to the deadly ball game of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the

world The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player **The Writers Directory** ,2004 **Leisure and Class in Victorian England** Peter Bailey,2014-01-14 First published in 2006 Part of the Studies in Social History series this volume looks at leisure and class in Victorian England 1830 85 including topics of popular recreation middle class and working class differences and rational recreation for the masses and the case of Victorian Music Halls in the entertainment industry **Twentieth Century Crime & Mystery Writers** NA NA,2015-12-25 **Sport** Richard D. Mandell,1999 Today s calender is set in the minds of many people by the World Series Wimbledon the Super Bowl and the World Cup rather than by months and days Sport must mean something What Richard Mandell s Sport A Cultural History shows that sport has always vividly illustrated and reinforced the existing social and moral order Considering that much of modern sport has evolved in England and America it is remarkable that so few comprehensive serious studies of sport have appeared in English This fascinatingly written generously illustrated volume fills a gap in the literature of world cultural history The author deals here not only with sport in the classical world where the Olympics were born but also with sport in early industrial England China Japan and modern America Current Literature ,1969 *Report of the Executive Committee* Scottish Central Library, Edinburgh,1965
