The Hand In The Glove:

The Parable of the Hand and the Glove Allen Smithson,2012-03-21 The Parable of the Hand and the Glove A Spiritual Awakening is the story of a beautiful peaceful forgiving divine hand that had deep gratitude love and compassion for everyone The hand was happy with others and circumstances just as they were It had great energy which it used to bless everyone while interacting enthusiastically with other hands without negative judgment The hands communications were always uplifting Then the hand noticed that the other hands had gloves on all of the time When the hand was wearing a glove no one ever saw what was happening inside the glove It became increasingly difficult to distinguish between the hand and the glove Soon the hand forgot that all the gloves had hands inside and it began thinking it was a glove This hand could instantly put on a glove for just about any situation The glove loved being right even more than it liked being at peace It would do anything to get nicer possessions greater security higher status and more attention As a glove the hand was certain that happiness was just around the next corner But the glow from the attention and the new acquisition didnt last long at all and that was where the trouble began If the definition of classic literature is gaining new benefit every time you re read it The Parable of The Hand and The Glove is destined to become a classic **The Hand in the Glove** Rex Stout,2011-07-27 Wealthy industrialist P L Storrs has never approved of lady detectives and he normally would not have made an exception of Theodolinda Dol Bonner But faced with a very delicate problem and surprisingly impressed he hires her instantly It seems that Storrs bird witted wife has fallen under the spell of a smooth talking religious charlatan and now Storrs wants Dol to get the goods on him But when the gorgeous gumshoe arrives at Storrs picturesque country estate Birchhaven to meet the scoundrel she finds more than she bargained for namely the corpse of her client and a garden party teeming with suspects The Hand in the Glove ,1968 **The Ministry, Vol. 02, No. 03** Various Authors,1998-03-01 In this issue of The Ministry we continue the series of messages on the present practice in God s economy These messages given at a crucial time in the Lord s recovery unveil the practice of the new way which the Lord gave to the churches through Brother Lee s ministry and practical leading In the message which we include here Brother Lee emphasizes our need to carry out the begetting nourishing and teaching in the meetings in the believers homes To carry out the new way we must no longer build up the big meetings of the church which have the clergy laity system as their root This truly involves a spiritual warfare so we must struggle every step of the way especially in prayer to participate in the fighting service in God s economy The subsequent six messages are from the second half of the Living Stream Ministry s Summer Training of 1997 entitled The Crucial Contents of God s New Testament Ministry This training which followed immediately after our brother s departure was a thorough review of the contents of the New Testament ministry which he brought to us over many years On the occasion of Brother Lee s departure we can consider all that the Lord has unveiled to us all the truths which were recovered for us through our brother s faithful ministry to bring us into the Lord s recovery and into the experience of Christ and the reality of the Body of

Christ for God's eternal economy to consummate the New Jerusalem The local churches raised up under this ministry will speak these things teach these things write these things and live these things until we meet the Lord Last we include an encouraging report on the spread of the ministry through the marketing of our publications in Christian bookstores We also report on the work to produce the Recovery Version of the New Testament in the Russian language which is now in its fifth and final year A letter from the co workers in the former Soviet Union brings us up to date on the Lord's move there in the first training for the responsible brothers and the recent winter training held in Moscow and letters from Berlin Germany report on the progress in publishing and distributing books by Watchman Nee in the German language
